Re: Testimony in SUPPORT of HB1000 – RELATING TO PUBLIC EMPLOYMENT COST ITEMS

Chair Matayoshi, Vice Chair Garrett, and Members of the Committee:

The United Public Workers, AFSCME Local 646, AFL-CIO (“UPW”) is the exclusive bargaining representative for approximately 14,000 public employees, which includes blue collar, non-supervisory employees in Bargaining Unit 1 and institutional, health, and correctional employees in Bargaining Unit 10, in the State of Hawaii and various counties. The UPW also represents 1,500 members in the private sector.

UPW **strongly supports** HB1000, which provides appropriations for collective bargaining cost items for the members of Unit (1) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2023-2025.

While an agreement between the Union and the Employer has not yet been reached, we appreciate the opportunity to provide testimony in strong support of the legislative vehicle for our Bargaining Unit 1 members.

Sincerely,

CHAIR Matayoshi, VICE CHAIR Garrett, AND MEMBERS OF THE HOUSE
COMMITTEE ON LABOR & GOVERNMENT OPERATIONS:

House Bill No. 1000 provides appropriations for collective bargaining cost items for the members of Unit (1) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2023-2025.

Hawaii Health Systems Corporation ("HHSC") **strongly supports** this bill.

HHSC is bound by the public sector union collective bargaining pay increases that are negotiated by the State of Hawaii and arbitration awards. This is because HHSC only has one vote as a jurisdiction while the State of Hawai'i administration holds the majority of the votes. Given that salaries and benefits expenses comprise approximately 80% of HHSC's total operating expenses, collective bargaining pay raises represent a significant cost burden that HHSC's facilities simply cannot absorb. As an example, the impact of collective bargaining pay increases were over \$24 million for fiscal years 2018-2019, over \$30 million for fiscal years 2020-2021, and over \$15 million in fiscal years 2022-2023, all of which have been appropriated to HHSC via special fund appropriations. This means that HHSC is not provided any additional

specific funding to pay for these raises. For fiscal year 2024-2025, the estimated cost of collective bargaining pay raises is estimated to be almost \$12.7 million in fiscal year 2024.

Accordingly, HHSC needs a **general fund appropriation** to pay for the proposed raises.

Thank you for the opportunity to testify on this important measure.
