Statement of
BRENNA H. HASHIMOTO
Director, Department of Human Resources Development

Before the
HOUSE COMMITTEE ON LABOR AND GOVERNMENT OPERATIONS
Tuesday, January 30, 2024
9:30AM
State Capitol, Conference Room 309

In consideration of
HB1556, RELATING TO STATE EMPLOYMENT

Chair Matayoshi, Vice Chair Garrett, and the members of the committee.

The Department of Human Resources Development (DHRD) is in **support** of HB1556.

The purpose of the bill is to establish and appropriate funds for permanent positions within the Employee Staffing Division (ESD) of the DHRD, aimed at recruiting and retaining state employees.

DHRD concurs with this measure and recognizes the impact additional resources will provide to recruit and retain state employees. As the central recruiting office for the State Executive Branch, it is imperative that we continually adapt to the ever-changing landscape of the labor market. Over the last few years, the ESD has lost approximately 30% of its authorized staffing positions while experiencing a 32% increase in applications received. The added workload, along with the decrease in resources, has created an unacceptable delay in filling State vacancies. The addition of these ten positions would provide the much-needed boost to the ESD to decrease the application processing time by as much as 50%. These positions will also enable us to better brand the State as an employer of choice through innovative initiatives and community outreach.

Thank you for the opportunity to provide testimony on this measure.
