State Capitol, Room 308 Virtual Video Conference

In consideration of
HB 1670 HD1
RELATING TO LAND USE DISTRICT BOUNDARIES

Chair Luke; Vice Chair Yamashita; and members of the House Committee on Finance:

The Land Use Commission ("LUC") supports HB 1670 HD1. The proposed measure establishes a boundary review subcommittee within the LUC to review and render decisions on district boundary disputes. Allowing a subcommittee to handle what is essentially a disagreement over interpretation of historical boundary determinations will expedite the process for landowners and allow an inexpensive resolution.

This measure will serve to streamline government and allow the public a less cost prohibitive and efficient manner to resolve boundary determinations that are not associated with any planning or public policy issues.

Thank you for the opportunity to testify on this matter
