Comments:

Aloha Chairs and Committee members of CAI and JHA. My name is Lynette Cruz. I live in Waianae. I urge you to support this organization of kupuna and kako'o (helpers). They have been doing some outstanding work in the westside community, bringing together many kupuna who have not had a regular and welcoming venue to share concerns they think are important. Waianae Moku Kupuna Council membership is not limited to those with a particular specialty. Nor does it limit discussion to items that are only on the agenda. Rather the organization is broad in its approach to issues important to the Waianae coast, and inclusive of all who enter into the circle with aloha in their attitudes and hearts. Mahalo for your consideration.
