"I support HR74 because it is important to form a working group to create a plan regarding the return of cultural artifacts. The working group would be creating a plan to figure out how to return Hawaiian artifacts housed abroad back to Hawai'i, and likewise, to return any other artifacts housed in Hawai'i back to their place of origin."

I support HCR73/HR74 because it is important to form a working group to create a plan regarding the return of cultural artifacts. The working group would be creating a plan to figure out how to return Hawaiian artifacts housed abroad back to Hawai'i, and likewise, to return any other artifacts housed in Hawai'i back to their place of origin. This taskforce will be vital to ensure that respectful protocols are set in place for the repatriation process.
