**RE: S.B. 2087; MAKING AN APPROPRIATION FOR THE VICTIM WITNESS ASSISTANCE PROGRAM.**

Chair Rhoads, Vice-Chair Keohokalole and members of the Senate Committee on Judiciary, the Department of the Prosecuting Attorney of the City and County of Honolulu ("Department") submits the following testimony in **strong support** of S.B. 2087.

The purpose of S.B. 2087 is to provide additional funding in the amount of **\$371,722**, to maintain the current level of service for the Department's Victim Witness Kokua Services ("VWKS") Unit. This is the remaining balance between actual costs, and costs covered by federal funds, funding from the Department of the Attorney General, and the funding from the City and County of Honolulu. VWKS advocates assist in guiding victims, witnesses and/or surviving family members through the criminal justice system—before, during, & after criminal prosecution of a case—and are specifically trained & qualified to do so.

Historically, the Legislature has supported the Victim Witness Assistance Program since 1983. In 1986, the Legislature enacted HRS §28-111, which established the Victim Witness Assistance program on a statewide basis. While the statute established this program in the Department of the Attorney General, all direct services are provided by each county's prosecuting attorney, in order to provide the most up-to-date information, assistance, funding, and support services to the crime victims and witnesses in their respective counties. Adequate funding is necessary for our Department to be able to continue these vital services.

For all of the foregoing reasons, the Department of the Prosecuting Attorney of the City and County of Honolulu **strongly supports** the passage of S.B. 2087. Thank you for the opportunity to testify on this matter.

**MAKING AN APPROPRIATION FOR THE VICTIM WITNESS ASSISTANCE  
PROGRAM**

The Department of Budget and Finance (B&F) offers comments on this bill.

Senate Bill No. 2087 appropriates an unspecified amount of general funds for FY 23 for the Department of the Prosecuting Attorney of the City and County of Honolulu as a grant-in-aid for the Victim Witness Assistance Program.

B&F notes that the federal Coronavirus Response and Relief Supplemental Appropriations Act requires that states receiving Elementary and Secondary School Emergency Relief (ESSER) II funds and Governor's Emergency Education Relief II funds must maintain state support for:

- Elementary and secondary education in FY 22 at least at the proportional level of the state's support for elementary and secondary education relative to the state's overall spending, averaged over FYs 17, 18 and 19; and
- Higher education in FY 22 at least at the proportional level of the state's support for higher education relative to the state's overall spending, averaged over FYs 17, 18 and 19.

Further, the federal American Rescue Plan (ARP) Act requires that states receiving ARP ESSER funds must maintain state support for:

- Elementary and secondary education in FY 22 and FY 23 at least at the proportional level of the state's support for elementary and secondary education relative to the state's overall spending, averaged over FYs 17, 18 and 19; and
- Higher education in FY 22 and FY 23 at least at the proportional level of the state's support for higher education relative to the state's overall spending, averaged over FYs 17, 18 and 19.

The U.S. Department of Education has issued rules governing how these maintenance of effort (MOE) requirements are to be administered. B&F will be working with the money committees of the Legislature to ensure that the State of Hawai'i complies with these ESSER MOE requirements.

Thank you for your consideration of our comments.
