**TESTIMONY OF
THE STATE FOUNDATION ON CULTURE AND THE ARTS
TO THE SENATE COMMITTEE ON WAYS AND MEANS
February 23, 2022, Conference Room 211 & Videoconference at 10:05AM
S.B. 2731 SD1
RELATING TO THE BERNICE PAUAHI BISHOP MUSEUM**

Chair Dela Cruz and members of the Committee, I am Jonathan Johnson, Executive Director of the State Foundation on Culture and the Arts (SFCA), and we are grateful for the opportunity to testify in **SUPPORT** of S.B. 2731 SD1.

The State Foundation on Culture and the Arts recognizes the value of Bernice Pauahi Bishop Museum for the State of Hawaii. SFCA supports the appropriation of general funds to the State of Hawaii Museum of Natural and Cultural History (Bishop Museum) for fiscal year 2022-2023 as presented in S.B. 2731 SD1.

Hawaii's culture sector is the hardest hit in the nation. Bishop Museum has lost significant operating revenue due to the drop in attendance while continuing the required care for collections as well as repair and maintenance of an aging facility. Funding Bernice Pauahi Bishop Museum through an annual appropriation from the general revenues of the State of Hawaii and on a consistent basis will help to support ongoing operations to preserve irreplaceable cultural treasures. Bishop Museum has provisions to receive State funds and an exemption from qualifying standards and conditions related to Chapter 42F.

The cultural economy is an important resource. When we invest in our cultural economy, we invest in the economic stability of Hawai'i. State support of culturally significant institutions is an investment into cultural preservation as well as the State's economy. As the State recovers from the devastating effects of the global pandemic, visitors will return to Hawai'i and look to visit cultural establishments that in turn, support the revitalization of Hawaii's leading economy; tourism.

Thank you for the opportunity to submit testimony on this matter.

In consideration of
SENATE BILL NO. 2731 SD1
RELATING TO THE BERNICE PAUAHI BISHOP MUSEUM

Aloha Chair Dela Cruz, Vice Chair Keith-Agaran, and members of the Committee on Ways and Means.

The Hawai'i Tourism Authority (HTA) appreciates the opportunity to offer this testimony in **support** of SB2731 SD1, which appropriates moneys to support the Bernice Pauahi Bishop Museum.

Bishop Museum's important work as the officially designated State of Hawai'i Museum of Natural and Cultural History is critical to understanding and contextualizing Hawai'i's natural resources, native culture, and our community. HTA's work is framed by four interacting pillars: Natural Resources, Hawaiian Culture, Community, and Branding – the last of which is dependent upon the strength of the first three.

Our efforts to educate visitors rely upon the kind of work that happens at Bishop Museum, and these efforts are further strengthened by the direct educational experiences visitors and kama'āina alike enjoy at the museum.

We appreciate the opportunity to provide this testimony in **support** of SB2731 SD1. Mahalo.

SENATE BILL NO. 2731, S.D. 1

Room 211 and Videoconference

RELATING TO THE BERNICE PAUAHI BISHOP MUSEUM

The Department of Budget and Finance (B&F) offers comments on this bill.

Senate Bill No. 2731, S.D. 1, appropriates \$2,000,000 in general funds in FY 23 to the Department of Accounting and General Services (DAGS) to provide additional funding support for the Bernice Pauahi Bishop Museum; provided that any funds appropriated shall be in addition to and shall not supplant any portion of the base budget of DAGS for the museum; provided further that the amount appropriated shall be included in the base budget for DAGS for the museum in future fiscal bienniums.

B&F notes that Act 88, SLH 2021, removed the recurring operating subsidy of \$626,000 in general funds for the museum from B&F's base budget and replaced it with appropriations of \$626,000 in American Rescue Plan (ARP) Act funds in FY 22 and FY 23 that were made to the State Foundation on Culture and the Arts within DAGS.

B&F also notes that, with respect to the general fund appropriation in this bill, the federal Coronavirus Response and Relief Supplemental Appropriations Act requires that states receiving Elementary and Secondary School Emergency Relief (ESSER) II funds

and Governor's Emergency Education Relief II funds must maintain state support for:

- Elementary and secondary education in FY 22 at least at the proportional level of the state's support for elementary and secondary education relative to the state's overall spending, averaged over FYs 17, 18 and 19; and
- Higher education in FY 22 at least at the proportional level of the state's support for higher education relative to the state's overall spending, averaged over FYs 17, 18 and 19.

Further, the federal ARP Act requires that states receiving ARP ESSER funds must maintain state support for:

- Elementary and secondary education in FY 22 and FY 23 at least at the proportional level of the state's support for elementary and secondary education relative to the state's overall spending, averaged over FYs 17, 18 and 19; and
- Higher education in FY 22 and FY 23 at least at the proportional level of the state's support for higher education relative to the state's overall spending, averaged over FYs 17, 18 and 19.

The U.S. Department of Education has issued rules governing how these maintenance of effort (MOE) requirements are to be administered. B&F will be working with the money committees of the Legislature to ensure that the State of Hawai'i complies with these ESSER MOE requirements.

Thank you for your consideration of our comments.

SUPPORT of Senate Bill 2731 SD 1, Relating to the Bernice Pauahi Bishop Museum

Aloha Chair Dela Cruz and Committee Members:

The organizations represented in this written testimony support SB 2731. The Museum stewards more than 25 million catalogued objects, and actively generates and shares knowledge associated with its collections. Its work supports over 50 state and federal government agencies, departments, and affiliated organizations; and without whom many basic questions concerning Hawaii's people, plants, and animals could not be answered with efficiency and confidence. The collections

include over 1.2 million cultural artifacts, representing Native Hawaiian, Pacific Island, and Hawai'i immigrant life; more than 125,000 historical publications, including many in the Hawaiian language; 1 million historical photographs, films, works of art, and publications; and over 22 million plant and animal specimens.

Museum researchers have discovered over 17,000 species of plants, animals, and insects throughout the Pacific region, and have made countless discoveries related to the migration, settlement, and daily life of Pacific peoples. The Museum's educational programs provide science and cultural education opportunities to thousands of Hawai'i's schoolchildren each year, and it is estimated that the Museum has hosted more than 10 million visitors over its history.

Passage of this bill enables our committed staff to protect Hawai'i's irreplaceable collections and primary source knowledge, which is a global resource essential for the perpetuation of our natural and cultural heritage. Thank you for your consideration and for the opportunity to provide testimony in support of this important bill.
