As a member of Pokai Bay/LuaLuaBeachPark11 Neighborhood Security Watch, I support SB3189 SD1 after being exposed to a game room that moved into our neighborhood abandoned house. It went beyond illegal gambling. I witnessed drug dealing, obvious suspicion of prostitution. Cars, loud motorcycles, mopeds parked surrounded residents, fights, operated 24/7 disrupting my sleep daily. It became useless to report to 911 due to lack of enforcement. I dealt with this for 2 years! It was finally raided. I did not feel safe with the many strangers coming & going from the game room house. I am a business person and pay business taxes. I resent the lack of enforcement on these non taxable illegal entities. The panalties should be more then what's written.

SB 3189 RELATING TO GAMBLING.

I do not support gambling in Hawaii nor on DHHL lands.

Comments: Effective July 30, 2075 REALLY should be 2024

For a second or subsequent offense that occurs within ten years of a prior conviction, the offense shall be a class c felony. Years should be "within 2 years of a prior conviction,"
