Re: S.B. 435 S.D. 1 H.D. 2 RELATING TO PUBLIC WORKS

I. OVERVIEW OF PROPOSED LEGISLATION

The **DLIR supports** this measure. SB435 SD1 HD2 proposes to amend Sections 104-24 and 104-25, Hawaii Revised Statutes (HRS) by imposing progressively increasing penalties on both the person **and** firm upon finding of repeat violations of Hawaii's Wages and Hours of Employees on Public Works Law (Chap. 104). Subsection 104-24(f) defines the term "person" to include a sole proprietor and the principal responsible managing employee that holds the contractor's license of the firm; provided that for subsection (c)(2), "person" also includes all subordinate responsible managing employees who are employed during the calendar period being investigated.

II. CURRENT LAW

Sections 104-24(b) and (c), and Section 104-25, HRS, imposes progressively increasing penalties on the person **or** firm upon finding repeat violations of Hawaii's Wages and Hours of Employees on Public Works Law.

III. COMMENTS ON THE SENATE BILL

This proposal seeks to eliminate the circumvention of the law by entities that transfer key personnel to a separate company and continue business under a new name to avoid the suspension from work provision of Chapter 104.

TESTIMONY IN SUPPORT
Senate Bill 435, SD1 HD2, Relating to Public Works

Aloha Chair Yamashita, Vice Chair Kitagawa, and Members of the Committee:

Thank you for the opportunity to submit testimony on behalf of the Hawaii Operating Engineers Industry Stabilization Fund Political Action Committee (HOEISF PAC). The HOEISF PAC is a non-profit labor management organization whose core mission is to represent the interests of the Operating Engineers Local Union No. 3 and Hawaii's leading contractors and ensure that the industry is thriving and sustainable for the future.

We are writing in **support of SB435, SD1 HD2**, which imposes the penalty on both the person and the firm upon the finding of repeat violations of the state law governing wages and hours of employees on public works and requires each notice of violation to contain the names of the person and the firm.

As you know, Hawaii is a national leader in prevailing wage laws. However, there are still occurrences where contractors do not pay workers their fair and entitled wage on public works projects. In those instances, a "three strike" policy is in statute to allow the contractor the opportunity to correct this practice, but if a contractor receives a third strike, they are suspended from being able to bid on public works projects for three years.

While the law has generally served its purpose as a deterrent, there have been recent examples of companies receiving a third strike and then moving their key personnel into a new company in order to continue bidding on public works projects. This undermines the important purpose of the "three strike" policy.

What SB435, SD1 HD2, seeks to do is end this practice by ensuring that the violation is attached to both the firm and the person. The bill also clearly defines "person", so the appropriate individual(s) are held responsible and there are not unintended consequences of attaching violations to people who are connected to the firm but not responsible for the specific violation.

Thank you for the opportunity to provide our testimony in support and we strongly urge you to pass this measure.

We are not in favor of this bill, as written. The problem wording is on page 3, lines 17 – 19, “person” also includes all subordinate responsible managing employees who are employed during the calendar period being investigated.” We suggest deletion of the wording.

Of course we do not condone violation of the wage and hour law however we note that this bill directly affects the principal RME who may or may not even be a shareholder in the corporation. The RME may not have any financial responsibilities within the company and no ownership of the company in order to control what the owner may dictate.

We suggest that the principal RME be included only if it can be established that the RME has some responsibility for the actions or inactions taken.

Thank you.
