Comments:

I strongly oppose replacing county council nominations for the HCDA with nominees chosen by Legislative leadership. Doing so just for three specific community development districts of the State makes it worse. Please defer this bill!

Comments:

This is another state land grab, which reduces local participation. For many years the counties could not have a say in who would be on the HCDA boards. That changes several years ago, bringing in light. Please leave the law as is and let us have true local representation.
