Comments:

I hereby support this initiative with the request that Patsy Mink's accomplishments *over obstacles* be highlighted in the foyer of the school as a means of inspiration to students. Please make sure that the school is in direct contact with Mink's educational team at the Foundation to ensure that these students are the first to know when opportunities of advancement are coming up. This will breed a culture of achievement over obstacles and inspire students to be the first to apply for Patsy Mink scholarships. Please do *not* give students top chances to qualify, for that will make their personal ethics fall into a place of privileged entitlement - which is what is wrong with the millennial generation today. Society needs dedicated people, not people entitled. Entitled people fail humanity through the lack of a realistic mind. Don't spoil the mind.

I support this resolution. Patsy Mink is one of the greatest Hawaiian heros. Naming a school after her is totally appropriate for the champion of Title IX.

Aloha!

Sorry this is late, but I strongly support the passage of SCR63, naming the new high school in Kihei after our awesome representative, the Honorable Representative Patsy Mink. She came from Maui, and was instrumental in the passage of Title IX. All good reasons to name this high school after her.

Mahalo for considering my late testimony.

Eileen McKee
