
HOUSE CONCURRENT RESOLUTION

REQUESTING THE HAWAII INVASIVE SPECIES COUNCIL, IN COORDINATION AND COLLABORATION WITH THE CITY AND COUNTY OF HONOLULU AND COUNTY OF HAWAII, TO ESTABLISH AND IMPLEMENT A FIVE-YEAR PILOT PROGRAM TO MITIGATE AND CONTROL THE SIGNIFICANT INCREASE IN THE POPULATION OF FERAL CHICKENS.

1 WHEREAS, feral chickens have become a persistent nuisance,
2 particularly in suburban and urban residential communities; and
3

4 WHEREAS, feral chickens wander into yards and gardens,
5 digging up plants, damaging food crops, and jeopardizing native
6 plants and resources; and
7

8 WHEREAS, feral roosters crow at all times of the day and
9 night, which has led to numerous noise complaints by residents
10 throughout the State; and
11

12 WHEREAS, droppings from feral chickens are unsanitary and
13 create a health hazard; and
14

15 WHEREAS, feral chickens and birds also carry diseases that
16 threaten other animals, including native birds; and
17

18 WHEREAS, the noticeable increase in the number of feral
19 chickens and birds also creates a road hazard for drivers who
20 must suddenly stop or swerve to avoid them; and
21

22 WHEREAS, to protect Hawaii's ecosystem, natural resources,
23 and the health and safety of its residents, it is critical that
24 the State work together with the counties and the affected
25 communities, including hunters, farmers, and natural resource
26 managers, to identify and implement collaborative solutions to
27 control the significant increase in the population of feral
28 chickens and pigs; now, therefore,

1
 2 BE IT RESOLVED by the House of Representatives of the
 3 Thirty-second Legislature of the State of Hawaii, Regular
 4 Session of 2023, the Senate concurring, that the Hawaii Invasive
 5 Species Council, in coordination and collaboration with the City
 6 and County of Honolulu and County of Hawaii, is requested to
 7 establish and implement a five-year pilot program to mitigate
 8 and control the significant increase in the population of feral
 9 chickens; and

10
 11 BE IT FURTHER RESOLVED that the five-year pilot program is
 12 requested to include the provision of free traps to members of
 13 the public to capture the feral animals, collection of traps
 14 containing the captured feral animals, and return of empty traps
 15 to the members of the public; and

16
 17 BE IT FURTHER RESOLVED that the five-year pilot program is
 18 requested to begin in the areas of Moanalua, Kalihi, Kalaeloa,
 19 and Kapolei in the City and County of Honolulu and the Puna area
 20 in the County of Hawaii; and

21
 22 BE IT FURTHER RESOLVED that the Hawaii Invasive Species
 23 Council is requested to submit an interim report regarding the
 24 five-year pilot program to the Legislature no later than twenty
 25 days prior to the convening of the Regular Session of 2026, and
 26 a final report to the Legislature no later than twenty days
 27 prior to the convening of the Regular Session of 2028; provided
 28 that the reports are requested to include:

- 29
 30 (1) Findings and recommendations relating to the five-year
 31 pilot program's efficacy in mitigating and controlling
 32 the significant increase in the population of feral
 33 chickens, including any proposed legislation; and
 34
 35 (2) A recommendation on whether the five-year pilot
 36 program should be extended or expanded into other
 37 areas of the State; and

38
 39 BE IT FURTHER RESOLVED that certified copies of this
 40 Concurrent Resolution be transmitted to the Co-Chairpersons of
 41 the Hawaii Invasive Species Council, Mayor of the City and
 42 County of Honolulu, and Mayor of the County of Hawaii.
