## HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF FACILITY MAINTENANCE OF THE CITY  
AND COUNTY OF HONOLULU TO CLEAN CERTAIN STREAMS AND CANALS  
IN WAIPAHU.

1           WHEREAS, the maintenance of many streams and canals on the  
2 island of Oahu fall under the jurisdiction of the Department of  
3 Facility Maintenance of the City and County of Honolulu; and  
4

5           WHEREAS, the lack of stream and canal maintenance often  
6 leads to clogged, overgrown or debris-filled streams and canals  
7 that function poorly, especially during rain events, and can  
8 result in local flooding and other safety hazards; and  
9

10           WHEREAS, Waikele Stream, the canal adjacent to Bill Balfour  
11 Jr. Waipahu District Park that intersects Paiwa Street, and the  
12 canal along Honowai Park and Honowai Elementary are examples of  
13 stream and canals that have debris and are overgrown with fast-  
14 growing vegetation that increase siltation, increase breaches  
15 that flood adjacent properties, and impair water flow to the  
16 streams, canals, and lochs; and  
17

18           WHEREAS, community members who live near Waipahu streams  
19 and canals often feel responsible for maintaining them even when  
20 it is the responsibility of the Department of Facility  
21 Maintenance of the City and County of Honolulu to ensure the  
22 proper maintenance of streams and canals under its jurisdiction  
23 for the safety and well-being of the public and the environment;  
24 now, therefore,
