
A BILL FOR AN ACT

RELATING TO TRANSPORTATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that illegal or harmful
2 activity throughout the Pacific Ocean has been increasing. In
3 many cases, foreign vessels have entered new areas of the
4 Pacific Ocean to traffic illegal commodities. Other foreign
5 vessels have frequently entered other nations' protected areas
6 to collect resources to the detriment of local communities and
7 are beginning to scout waters near Hawaii to conduct undersea
8 mining that will irreparably harm Hawaii's undersea ecosystems.

9 Accordingly, the purpose of this Act is to restrict vessels
10 that have been engaged in specific unpermitted or unlicensed
11 activities from entering or departing ports in the State's
12 commercial harbor system.

13 SECTION 2. Chapter 266, Hawaii Revised Statutes, is
14 amended by adding a new section to part I to be appropriately
15 designated and to read as follows:

16 "§266- Restriction of use of facilities. When the
17 department of transportation receives notice from a federal

1 agency or other agency that a vessel or its crew has engaged in
2 activity that has violated any federal, state, or county law or
3 rule pertaining to environmental protection or maritime
4 transportation, or trafficking of illegal contraband, or the
5 unpermitted or unlicensed collection or extraction of undersea
6 minerals, the department of transportation may delay or deny
7 approval for port entry or departure; provided that in these
8 cases, the department of transportation may grant approvals for
9 use of any commercial harbor facility by that vessel in
10 coordination with the federal agency or other agency."

11 SECTION 3. New statutory material is underscored.

12 SECTION 4. This Act shall take effect on March 22, 2075.
