
A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the department of
2 education is the largest department in the State with two
3 hundred ninety-five schools and forty-two thousand salaried and
4 part-time employees. The department of education must procure
5 numerous goods, services, and construction to run its
6 operations. The legislature also finds that the Hawaii public
7 procurement code mandates that the department of education
8 comply with procurement laws for its purchases triggered by
9 certain threshold amounts. Exempting the department of
10 education from certain small purchase procurement requirements
11 will help the department timely procure necessary goods,
12 services, and construction.

13 The legislature further finds that the electronic system,
14 due to its complicated and onerous nature, places a heavy burden
15 on school administrators seeking to address repair and
16 maintenance backlogs and further strains the already limited
17 time and resources of these school administrators.

1 Additionally, with the recent influx of federal funding and the
2 various conditions attached thereto, including the maintenance
3 of effort provisions within the Coronavirus Aid, Relief, and
4 Economic Security Act, the department of education needs to have
5 additional flexibility to expend federal funds in a timely
6 manner.

7 The purpose of this Act is to provide procurement
8 exemptions for the department of education.

9 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
10 amended by adding a new section to part V to be appropriately
11 designated and to read as follows:

12 **"§302A- Procurement; educational goods and services;**
13 **small purchases.** Notwithstanding section 103D-305(c) or any
14 other law to the contrary, the department may procure goods and
15 services of less than \$100,000 without using an electronic
16 system; provided that the procurement shall be subject to the
17 rules governing procurements of less than \$25,000; provided
18 further that, based on specifications and with adequate
19 reasonable competition, a procurement of:

20 (1) At least \$5,000 but less than \$15,000 shall require at
21 least three quotations; and

1 (2) At least \$15,000 but less than \$100,000 shall require
2 at least three quotations in writing."

3 SECTION 3. Chapter 302A, Hawaii Revised Statutes, is
4 amended by adding a new section to subpart A of part VI to be
5 appropriately designated and to read as follows:

6 "§302A- Procurement; educational construction; small
7 purchases. Notwithstanding section 103D-305(c) or any other law
8 to the contrary, the department may procure construction of less
9 than \$250,000 without using an electronic system; provided that
10 the procurement shall be subject to the rules governing
11 procurements of less than \$25,000; provided further that, based
12 on specifications and with adequate reasonable competition, a
13 procurement of:

14 (1) At least \$5,000 but less than \$15,000 shall require at
15 least three quotations; and

16 (2) At least \$15,000 but less than \$250,000 shall require
17 at least three quotations in writing."

18 SECTION 4. Section 103D-102, Hawaii Revised Statutes, is
