# A BILL FOR AN ACT

RELATING TO EDUCATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the school  
2 facilities authority is tasked with an important mission to  
3 ensure the development, planning, and construction of all public  
4 schools in the State. By ensuring that each public school's  
5 facilities provide students, educators, and communities with  
6 high quality and healthy learning environments, the school  
7 facilities authority actively supports public education.  
8 However, for the school facilities authority to fulfill its  
9 mission to support public education in the State, the school  
10 facilities authority requires effective leadership.

11           The legislature further finds that other agencies  
12 administratively attached to the department of education, such  
13 as the executive office on early learning, the state public  
14 charter school commission, and the state library system, require  
15 their respective boards to appoint their executive director.  
16 However, the school facilities authority executive director is  
17 appointed by the governor, with the advice and consent of the  
18 senate. As a result, the selection of the executive director of

1 the school facilities authority is not consistent with other  
2 similar agencies. To promote uniformity, the school facilities  
3 authority executive director should be appointed by the  
4 authority's board members.

5 Therefore, the purpose of this Act is to authorize the  
6 school facilities authority board, rather than the governor, to  
7 appoint the executive director of the school facility authority.

8 SECTION 2. Section 302A-1702, Hawaii Revised Statutes, is  
9 amended to read as follows:

10 "**§302A-1702 School facilities authority; established.** (a)

11 There is established the school facilities authority, which  
12 shall be a body corporate and a public instrumentality of the  
13 State. The authority shall be placed within the department for  
14 administrative purposes only.

15 ~~[(b) The authority shall employ an executive director~~  
16 ~~exempt from chapters 76 and 89. The governor shall appoint the~~  
17 ~~executive director in the manner prescribed in section 26-34,~~

21 ~~executive director shall not be limited in the number of terms~~

1 ~~served. If a vacancy occurs during a term, the governor shall~~  
2 ~~appoint an interim executive director whose appointment shall~~  
3 ~~expire if the senate does not advise and consent to the~~  
4 ~~nomination of an executive director at the next regular session~~  
5 ~~of the legislature after the vacancy occurs. The salary of the~~  
6 ~~executive director shall be set by the school facilities board~~  
7 ~~and the executive director shall be included in any benefit~~  
8 ~~program generally applicable to the officers and employees of~~  
9 ~~the State.~~

10 ~~(e)]~~ (b) The executive director appointed pursuant to  
11 section 302A-1704(f) shall:

- 12 (1) Serve as the authority's chief executive officer and

17 executive director on an annual basis.

18 (d) The board shall select a chairperson by a majority  
19 vote of its voting members. A majority of the voting members  
20 serving on the board shall constitute a quorum to conduct  
21 business. The concurrence of the majority of the voting members

1 serving on the board shall be necessary to make any action of  
2 the board valid.

3 (e) The board may form workgroups and subcommittees that  
4 include individuals who are not board members, to:

10 board to fulfill its duties and responsibilities.

11 Two or more board members, but less than a quorum, may  
12 discuss matters relating to official board business in the  
13 course of their participation in a workgroup or subcommittee,  
14 and these discussions shall be a permitted interaction as  
15 provided for in section 92-2.5; provided that all other  
16 provisions of chapter 92 shall apply.

17 (f) The board shall appoint an executive director of the  
18 school facilities authority who shall be exempt from chapters 76  
19 and 89. The salary of the executive director shall be set by  
20 the board and the executive director shall be included in any

1 benefit program generally applicable to the officers and  
2 employees of the State."

3 SECTION 4. Statutory material to be repealed is bracketed  
4 and stricken. New statutory material is underscored.

5 SECTION 5. This Act shall take effect upon its approval.
