
A BILL FOR AN ACT

RELATING TO FIREWORKS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that illegal use of
2 fireworks in Hawaii has caused brush fires, structural fires,
3 injuries, and even death despite the various local, state, and
4 federal laws governing the manufacture, transportation,
5 distribution, sale, and use of fireworks that continue to be
6 violated at what appears to be an increasing rate. While law

10 fireworks problem in Hawaii.

11 The purpose of this Act is to establish an illegal
12 fireworks task force to plan, coordinate, and engage in law
13 enforcement operations to interdict illegal fireworks, develop a
14 comprehensive strategic plan to stop the importation of illegal
15 fireworks and explosives into Hawaii, promote compliance with

7 "Blast from the Past: An Update to the Report of the Illegal
8 Fireworks Task Force to the Legislature for the Regular Session
9 of 2011", as the basis for developing a comprehensive strategic
10 plan to stop the importation of illegal fireworks and explosives
11 into Hawaii, promote compliance with the state fireworks control
12 laws, and ensure the safety and security of the airports,
13 harbors, and other facilities and institutions in the State
14 against the discharge of illegal fireworks and explosives.

15 (b) The director of law enforcement or the director's
16 designee shall be the chair of the task force.

17 (c) The following individuals or their designees shall
18 serve as members of the task force:

19 (1) Attorney general;

20 (2) Deputy director of the harbors division of the
21 department of transportation;

5 force:

7 (2) United States Department of Homeland Security;

8 (3) Federal Bureau of Alcohol, Tobacco, Firearms, and
9 Explosives;

10 (4) Federal Bureau of Investigation;

11 (5) United States Coast Guard;

12 (6) United States Customs and Border Protection; and

13 (7) United States Drug Enforcement Administration.

14 (e) The task force and their represented agencies may
15 plan, coordinate, and engage in law enforcement operations to
16 interdict illegal fireworks and the task force shall develop a
17 comprehensive strategic plan to stop the importation of illegal
18 fireworks and explosives into Hawaii, promote compliance with
19 the state fireworks control laws, and ensure the safety and
20 security of the airports, harbors, and other facilities and

1 institutions in the State against the discharge of illegal
2 fireworks and explosives.

3 (f) The task force shall submit a report of its
4 comprehensive strategic plan, including findings,
5 recommendations, and any proposed legislation, to the
6 legislature no later than twenty days prior to the convening of
7 the regular session of 2024 and no later than twenty days prior
8 to the convening of the regular session of 2025.

9 SECTION 3. There is appropriated out of the general
10 revenues of the State of Hawaii the sum of \$ or so
11 much thereof as may be necessary for fiscal year 2023-2024 and
12 the same sum or so much thereof as may be necessary for fiscal
13 year 2024-2025 to carry out the purposes of this Act, including
14 the hiring of necessary administrative support staff for the
15 task force, operation of the task force, and reimbursement of
16 funds to law enforcement agencies for task-force-related law
17 enforcement operations, including law enforcement personnel,
18 overtime and other salary-related payments, charges for fuel,
19 equipment, and storage and disposal of confiscated fireworks.

20 The sums appropriated shall be expended by the department
21 of law enforcement for the purposes of this Act.
