

MAR 10 2023

SENATE CONCURRENT RESOLUTION

REQUESTING HAWAII'S CONGRESSIONAL DELEGATION TO ASSIST THE STATE
IN NEGOTIATING WITH THE FEDERAL GOVERNMENT FOR THE
ACQUISITION OF THE FEDERAL DETENTION CENTER IN HONOLULU.

1 WHEREAS, in 2001, the federal Bureau of Prisons opened the
2 Federal Detention Center in Honolulu (Honolulu Federal Detention
3 Center); and

4
5 WHEREAS, located on the west side of the Daniel K. Inouye
6 International Airport, the Honolulu Federal Detention Center
7 houses male and female federal pre-trial detainees, sentenced
8 felons nearing completion of their prison terms, and Hawaii
9 inmates who are awaiting trial in state court, at an occupancy
10 rate far below the facility's total capacity of one thousand two
11 hundred beds; and

12
13 WHEREAS, the Honolulu Federal Detention Center has an
14 efficient vertical design that requires fewer workers to
15 operate, includes integrated state-of-the-art surveillance and
16 management technologies, and accommodates a wide variety of uses
17 including inmate cells, office areas, medical facilities,
18 recreational areas, storage rooms, food preparation areas,
19 laundry areas, mechanical rooms, security systems, and
20 communications systems; and

21
22 WHEREAS, the State has struggled for years to find
23 additional capacity for its overcrowded jails and prisons, which
24 were designed to hold a combined total of 2,491 inmates but are
25 currently exceeding capacity by housing 3,527 inmates; and

26
27 WHEREAS, replacing or refurbishing state prisons and jails
28 to meet the current demand for adequate space and services would
29 cost an estimated \$1,500,000,000 to \$2,000,000,000; and

30
31 WHEREAS, since June 2001, the State has leased bed space at
32 the Honolulu Federal Detention Center to relieve jail

1 overcrowding--for example, in September 2019, the Honolulu
2 Federal Detention Center housed one hundred eighty-six male and
3 female inmates under the department of public safety's
4 jurisdiction at a daily cost of \$129.48 per inmate; and
5

6 WHEREAS, as anticipated, the number of Honolulu Federal
7 Detention Center inmates has decreased since the passage of the
8 First Step Act of 2018, a bipartisan criminal justice reform
9 effort that, in part, aimed to reduce recidivism and decrease
10 the number of inmates housed in federal correctional facilities;
11 and
12

13 WHEREAS, state acquisition of the Honolulu Federal
14 Detention Center would enable its use as a replacement for a new
15 Oahu community correctional center, eliminate the immediate
16 financial burden of building a new state correctional facility,
17 and allow the current site of the Oahu community correctional
18 center to be vacated by the department of public safety and
19 redesignated for a non-correctional use; and
20

21 WHEREAS, interest in acquiring the Honolulu Federal
22 Detention Center dates as far back as the Regular Session of
23 2016, when the Legislature adopted Senate Concurrent Resolution
24 No. 33, which requested Hawaii's congressional delegation to
25 assist the State in negotiating with the federal government for
26 the acquisition of the Honolulu Federal Detention Center; now,
27 therefore,
28

29 BE IT RESOLVED by the Senate of the Thirty-second
30 Legislature of the State of Hawaii, Regular Session of 2023, the
31 House of Representatives concurring, that Hawaii's congressional
32 delegation is requested to assist the State in negotiating with
33 the federal government for the acquisition of the Honolulu
34 Federal Detention Center; and
35

36 BE IT FURTHER RESOLVED that parties to the negotiations are
37 requested to consider the continued housing of federal pre-trial
38 detainees and federal inmates serving short sentences at the
39 Honolulu Federal Detention Center, under terms favorable to the
40 federal Bureau of Prisons, as a condition of the State's
41 acquisition of the facility; and
42

S.C.R. NO. 143

1 BE IT FURTHER RESOLVED that certified copies of this
2 Concurrent Resolution be transmitted to each member of Hawaii's
3 congressional delegation, the Director of the Federal Bureau of
4 Prisons, and the Director of Public Safety.
