SENATE CONCURRENT RESOLUTION

REQUESTING EACH COUNTY TO ADOPT AN ORDINANCE REQUIRING, AS A
CONDITION OF ITS APPROVAL OF A SUBDIVISION OR ISSUANCE OF A
BUILDING PERMIT FOR ANY NEW STRUCTURE OR UNIT WITHIN A
STRUCTURE, THE SUBDIVIDER OR DEVELOPER TO OBTAIN ASSURANCE
OF MAIL DELIVERY TO EACH PARCEL.

1 WHEREAS, residents of some property development projects in
2 the United States experience difficulty in receiving their mail
3 due to various reasons, including the lack of a street address
4 for their lot, parcel, structure, or unit recorded in the United
5 States Postal Service's database; and

6
7 WHEREAS, in many rural areas, the United States Postal
8 Service does not deliver mail to the doorstep of each lot,
9 parcel, structure, or unit even with a street address, and
10 instead makes deliveries to a specific location from which
11 residents in the area can retrieve their mail, including
12 individual post office boxes at local post offices and cluster
13 box units that serve multiple addresses within the area; and

14
15 WHEREAS, in such rural areas, residents rely on mail-order
16 deliveries, but the rural post offices cannot handle the influx
17 of parcels as shown by lines of residents awaiting hours for
18 parcel delivery; and

19
20 WHEREAS, in Hawaii, certain property development projects,
21 including subdivisions in rural areas, lack the sufficient
22 number of post office boxes and cluster box units to serve all
23 residents in the area, thereby requiring some to drive over an
24 hour to retrieve their mail from a friend or family member
25 residing within the United States Postal Service's service area
26 to whom they had their mail sent in care of; and

27
28 WHEREAS, people in Hawaii should be able to receive their
29 mail and parcel deliveries at a location that is within a
30 reasonable distance from their residence; and

S.C.R. NO. 30

1
 2 WHEREAS, the power to enact and formulate ordinances
 3 regulating the approval of subdivisions and issuance of building
 4 permits in the State rests with the legislative bodies of each
 5 county; and

6
 7 WHEREAS, existing county ordinances do not require
 8 subdividers or developers to ensure that each lot, parcel,
 9 structure, or unit of a structure located within a subdivision
 10 or development project has a street address and mailbox for use
 11 by the United States Postal Service to deliver mail; now,
 12 therefore,

13
 14 BE IT RESOLVED by the Senate of the Thirty-second
 15 Legislature of the State of Hawaii, Regular Session of 2023, the
 16 House of Representatives concurring, that each county is
 17 requested to adopt an ordinance requiring, as a condition of its
 18 approval of a subdivision or issuance of a building permit for
 19 any new structure or unit within a structure, the subdivider or
 20 developer to:

- 21
 22 (1) Obtain the county's approval of:
 23
 24 (A) The street name for the street on which the lot,
 25 parcel, or structure is located, if one has not
 26 been assigned already; and
 27
 28 (B) The street address for the lot, parcel,
 29 structure, or unit of the structure, as
 30 applicable; and
 31
 32 (2) Erect and install within a reasonable distance from
 33 the lot, parcel, structure, or unit, as applicable, a
 34 mailbox assigned thereto for use by the United States
 35 Postal Service to deliver mail, should it decide to
 36 extend its delivery service to the location;

37
 38 before the sale or lease of any lot, parcel, structure, or unit
 39 of a structure located within the subdivision or development
 40 project; and
 41

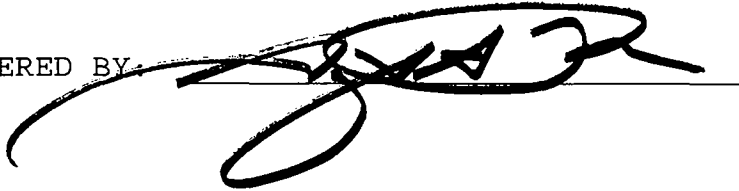

S.C.R. NO. 30

1 BE IT FURTHER RESOLVED that the mailbox for each lot,
2 parcel, structure, or unit of a structure, as applicable, shall
3 be erected and installed in conformance with the standards set
4 by the United States Postmaster General and approved by the
5 local postmaster; and

6
7 BE IT FURTHER RESOLVED that certified copies of this
8 Concurrent Resolution be transmitted to the Chairperson of the
9 Honolulu City Council; Chairperson of the Maui County Council;
