SENATE RESOLUTION

REQUESTING EACH COUNTY TO ADOPT AN ORDINANCE REQUIRING, AS A
CONDITION OF ITS APPROVAL OF A SUBDIVISION OR ISSUANCE OF A
BUILDING PERMIT FOR ANY NEW STRUCTURE OR UNIT WITHIN A
STRUCTURE, THE SUBDIVIDER OR DEVELOPER TO OBTAIN ASSURANCE
OF MAIL DELIVERY TO EACH PARCEL.

1 WHEREAS, residents of some property development projects in
2 the United States experience difficulty in receiving their mail
3 due to various reasons, including the lack of a street address
4 for their lot, parcel, structure, or unit recorded in the United
5 States Postal Service's database; and
6

7 WHEREAS, in many rural areas, the United States Postal
8 Service does not deliver mail to the doorstep of each lot,
9 parcel, structure, or unit even with a street address, and
10 instead makes deliveries to a specific location from which
11 residents in the area can retrieve their mail, including
12 individual post office boxes at local post offices and cluster
13 box units that serve multiple addresses within the area; and
14

15 WHEREAS, in such rural areas, residents rely on mail-order
16 deliveries, but the rural post offices cannot handle the influx
17 of parcels as shown by lines of residents awaiting hours for
18 parcel delivery; and
19

20 WHEREAS, in Hawaii, certain property development projects,
21 including subdivisions in rural areas, lack the sufficient
22 number of post office boxes and cluster box units to serve all
23 residents in the area, thereby requiring some to drive over an
24 hour to retrieve their mail from a friend or family member
25 residing within the United States Postal Service's service area
26 to whom they had their mail sent in care of; and
27

28 WHEREAS, people in Hawaii should be able to receive their
29 mail and parcel deliveries at a location that is within a
30 reasonable distance from their residence; and
31

32 WHEREAS, the power to enact and formulate ordinances
33 regulating the approval of subdivisions and issuance of building

1 permits in the State rests with the legislative bodies of each
2 county; and

3

4 WHEREAS, existing county ordinances do not require
5 subdividers or developers to ensure that each lot, parcel,
6 structure, or unit of a structure located within a subdivision
7 or development project has a street address and mailbox for use
8 by the United States Postal Service to deliver mail; now,
9 therefore,

10

11 BE IT RESOLVED by the Senate of the Thirty-second
12 Legislature of the State of Hawaii, Regular Session of 2023,

32 extend its delivery service to the location;

37

38 BE IT FURTHER RESOLVED that the mailbox for each lot,
39 parcel, structure, or unit of a structure, as applicable, shall
