Honorable Ronald D. Kouchi  
President of the Senate  
Thirty-Second State Legislature  
Regular Session of 2023  
State of Hawaii

Sir:

Your Committee on Water and Land, to which was referred Governor's Message Nos. 580, 581, and 582, submitting for study and consideration the nomination of:

KANE'OHE BAY REGIONAL COUNCIL

G.M. No. 580	SYLVIA HUSSEY, for a term to expire 06-30-2023;
G.M. No. 581	SYLVIA HUSSEY, for a term to expire 06-30-2027; and
G.M. No. 582	JOSEPH PICKARD, for a term to expire 06-30-2025,

begs leave to report as follows:

Your Committee reviewed the personal histories, resumes, and statements submitted by Sylvia Hussey and Joseph Pickard for service on the Kane'ohē Bay Regional Council.

SYLVIA HUSSEY

Your Committee received testimony in support of the nomination for the appointment and reappointment of Sylvia Hussey from the Department of Land and Natural Resources, Hawaii State Aha Moku, and Ko'olau Foundation. Your Committee received testimony in opposition to the nomination for the appointment and reappointment of Sylvia Hussey from one individual.

Upon review of the testimony, your Committee finds that Dr. Hussey's background, experience, and dedication to community service qualify her to be appointed to the Kane'ohē Bay Regional Council as a representative of the Office of Hawaiian Affairs. Dr. Hussey currently serves as the Chief Executive Officer of the Office of Hawaiian Affairs, where she leads, guides, and directs the organization to fulfill its mission, within the parameters established by the Board of Trustees, to improve the well-being of Native Hawaiians. As CEO, Dr. Hussey has developed many important relationships within the government and nonprofit and private sectors and has substantial experience with the laws, policies, and practices that impact Native Hawaiians. Previously, Dr. Hussey served as the Executive Director for the Native Hawaiian Education Council and was a longtime administrator for the Kamehameha Schools.

Your Committee finds that Dr. Hussey, with her extensive background in high-profile management and administrative positions dedicated to the betterment of Native Hawaiians, possesses the qualifications to serve on the Kane'ohē Bay Regional Council. Your Committee finds that Dr. Hussey is a pillar within the Native Hawaiian community and that her leadership and managerial experience will greatly enhance the Council's ability to not only protect the culturally sensitive Ahu O Laka sandbar, but execute the vision of the Kane'ohē Bay Master Plan. Your Committee notes Dr. Hussey's dedication and tireless commitment in volunteering for the Council, despite her many other responsibilities and obligations. Your Committee finds that Dr. Hussey has a thorough understanding of the role and responsibilities of Council members and therefore recommends that Sylvia Hussey be appointed and reappointed to the Kane'ohē Bay Regional Council based on her knowledge, experience, and commitment to public service.

#### JOSEPH PICKARD

Your Committee received testimony in support of the nomination for the appointment of Joseph Pickard from the Department of Land and Natural Resources; Hawaii State Aha Moku; Matson Navigation Company, Inc.; Ko'olaupoko Hawaiian Civic Club; Ko'olau Foundation; and one individual. Your Committee received testimony in opposition to the nomination for the appointment of Joseph Pickard from one individual.

Upon review of the testimony, your Committee finds that Mr. Pickard's background, experience, and dedication to community service qualify him to be appointed to the Kane'ohē Bay Regional Council as a Kane'ohē Bay Commercial Operators Association representative of the Kane'ohē Bay Fishing Panel. Mr. Pickard is a longtime Native Hawaiian business and local community leader. Mr. Pickard is currently the founder and Chairman Emeritus of the Native Hawaiian Community Development Corporation, where he helps to provide science, technology, engineering, and math education and career opportunities for Native Hawaiians. In addition, Mr. Pickard owns and operates three businesses: Community Planning and Engineering, Inc., a civil engineering firm; Environet, Inc., an environmental engineering and remediation service company; and Sea Hawaii, Inc., an ocean recreation, transport, and apparel company that originated in Kane'ohē Bay. Before Mr. Pickard started his first business in 1989, he worked as an investment banker for Credit Suisse First Boston and was a commissioned officer in the United States Coast Guard. Especially relevant, Mr. Pickard was one of the founding members of the Kane'ohē Bay Regional Council and served as a member from 2008-2012. Mr. Pickard is also a former president of the Kane'ohē Bay Business Group.

Your Committee finds that Mr. Pickard, with his recognized passion and enthusiasm for the preservation of Kane'ohē Bay, possesses the qualifications to serve on the Kane'ohē Bay Regional Council. Mr. Pickard's prior experience as a former Council member and his over three decades of firsthand business experience operating within Kane'ohē Bay, provide him with certain unique insights and perspectives that will help enhance future Council discussions. Your Committee acknowledges Mr. Pickard's lifelong dedication to Kane'ohē Bay and lauds his desire to return to the Council. Your Committee finds that Mr. Pickard has a thorough understanding of the role and responsibilities of Council members and therefore recommends that Joseph Pickard be appointed to the Kane'ohē Bay Regional Council based on his knowledge, experience, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Water and Land that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Respectfully submitted on  
behalf of the members of the  
Committee on Water and Land,

  
LORRAINE R. INOUE, Chair
