

STAND. COM. REP. NO.

1810

Honolulu, Hawaii

MAR 31 , 2023

RE: H.C.R. No. 133

Honorable Scott K. Saiki  
Speaker, House of Representatives  
Thirty-Second State Legislature  
Regular Session of 2023  
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred  
H.C.R. No. 133 entitled:

"HOUSE CONCURRENT RESOLUTION URGING THE DEPARTMENT OF  
TRANSPORTATION TO CONDUCT A STUDY TO ESTABLISH SAFE ROUTES TO  
SCHOOL,"

begs leave to report as follows:

The purpose of this measure is to urge the Department of  
Transportation to conduct a study to establish safe routes to  
school.

Your Committee received testimony in support of this measure  
from the Department of Transportation and one individual.

Your Committee finds that transforming Hawaii's  
transportation systems and infrastructure to prioritize walking,  
rolling, bicycling, and public transit use is part of the State's  
commitments to public health, safety, economic vitality, and  
environmental sustainability. Barriers include a lack of  
complete, safe, and comfortable bike and pedestrian networks,  
complicated funding mechanisms for safe routes to school programs,  
and a lack of a state safe routes to school plan. Your Committee  
therefore finds that this measure will help facilitate  
establishing a safe routes to school program to provide students  
with a safe means of biking or walking to school.

2023-2914 HCR133 HSCR HMSO

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 133 and recommends that it be referred to your Committee on Finance.

Respectfully submitted on  
behalf of the members of the  
Committee on Transportation,

*for*   
CHRIS TODD, Chair
