SB866, SD1, HD1 RELATING TO HOUSING. Authorizes the counties to promote certain labor standards through zoning ordinances. Includes off-site construction of a public work project for purposes of the State's prevailing wage requirements. Allows certain affordable rental housing projects to receive a waiver of county property taxes and various county development fees. Requires that all orders from the governor to set aside public lands for the development of affordable housing projects contain a provision that the construction of the development be subject to the State's prevailing wage requirements. Amends the limit on the type of costs eligible for exemption from the general excise tax for development of affordable rental housing approved or certified by the Hawaii Housing Finance and Development Corporation. Effective 6/30/3000. (HD1)	HSG, FIN
