Comments:

Aloha Chair Moriwaki, Vice-Chair Lee and members of the Senate Committee on Labor & Technology,

I am pleased to submit testimony in support of Elizabeth Gregg's nomination to the Enhanced 911 Board.

I have known and worked with Ms. Gregg since 2011. During that time, we collaborated on various telecommunications projects relating to public safety, cyber security and broadband for the state of Hawaii. I have found Ms. Gregg to be knowledgeable, efficient and highly professional. As such, I am sure she will be excellent addition to the Enhanced 911 Board.

Please give Ms. Gregg your highest consideration. Thank you for the opportunity to submit testimony in support of Ms. Gregg's nomination.

Mahalo

WRITTEN TESTIMONY  
OF  
DAVLYNN RACADIO, ESDC  
MAUI POLICE DEPARTMENT  
To The  
COMMITTEE ON LABOR AND TECHNOLOGY  
ON  
Wednesday April 5, 2023  
3:00 PM  
Conference Room 224

GM547

Consideration & confirmation to the Enhanced 911 Board,  
Gubernatorial Nominee, ELIZABETH GREGG

Chair Sharon Moriwaki, Vice Chair Chris Lee and Committee Members, thank you for the opportunity to provide testimony on GM547.

I am Davlynn Racadio, the Emergency Services Dispatch Coordinator of 9-1-1 Communications at the Maui Police Department. I have spent nearly 36 years working in 9-1-1 and we need people who will stand up for us.

Elizabeth Gregg has worked for many years for AT&T and I have had the pleasure to interact with her on issues pertaining to 9-1-1 and AT&T service. She is always willing to delve into issues to find a solution that will work for everyone. When you experience a failure in your 9-1-1 Communications Center and your center happens to be located in the middle of the Pacific Ocean, you need a partner that is willing to do more than her fair share to get that center up and running, this is Elizabeth Gregg!

I support Elizabeth Gregg for this position and ask for your consideration and confirmation to the position on the Enhanced 911 Board.

Respectfully,

Davlynn Racadio, ESDC  
Maui Police Department  
Communications Section
