

March 30, 2023

This letter is to express my interest in serving on the State Health Planning and Development Agency's Hawaii County Subarea Council.

I have been working for Kaiser Permanente since June 1989. I am currently a Senior Project Manager, leading the implementation of complex projects or programs. Throughout the years I have gained substantial knowledge on health care, medical equipment, and our state's health system. I have developed multiple assessments, service delivery plans and business cases for new services, equipment and facilities that demonstrated the need and financial feasibility. Since the mid-1990s to 2022, I was responsible for all Certificate of Need (CON) functions for Kaiser Permanente. I completed multiple applications, prepared, and presented for CON reviews at the various council meetings, developed letters for CON exemption confirmation and participated in revising the HRS and HAR that pertained to CON when Marilyn Matsunaga was SHPDA's Administrator.

Should any possible conflicts of interest arise during my service on the Hawaii County Subarea Council I would recuse myself as a participant or I would contact the Ethics Committee and abide by their recommendations.

I grew up on the island of O'ahu and moved with my family to the Big Island in June 2000. I have previously served one term on the Hawaii County Subarea Council. I believe that with my knowledge, experience, and commitment to support accessibility of feasible health care services, I can be a valued member of the Hawaii County SAC once again.

Sincerely,

Jamie Cameros
