Comments:

Strongly Oppose: Moniz is closed minded and very biased in her views. She will make decisions based on her personal perceptions, which are often misconceptions of the truth. When lies are presented as fact, she readily believes them, making no effort to verify the information. You will tell us, "There's nothing we can do. Her nomination was already processed." I tell you, the Legislature of this great state, we can do much better Stacey Moniz.

Aloha Chair Rhoads, Vice Chair Gabbard, and members of the Senate Committee on Judiciary:

I submit this testimony in my personal capacity, in strong support of GM 663, Stacey Moniz, and her re-appointment to the Hawaii State Commission on the Status of Women. I have known and worked with Stacey for many years in the fields of domestic violence prevention, issues impacting women and girls in Hawaii and abroad, and various other critical areas impacting gender equality. Stacey is a fierce and passionate advocate, knowledgeable about the issues women and girls face, and is deeply caring and kind. I believe she will continue to be a wonderful and committed advocate and I support her reappointment.

Mahalo for your consideration,

Cathy Betts
