HB 1001 HD1 – RELATING TO PUBLIC EMPLOYMENT COST ITEMS

Chair Moriwaki, Vice Chair Lee, and Members of the Committee:

Thank you for the opportunity to present testimony today. The University of Hawai'i **supports** HB 1001 HD1, Relating to Public Employment Cost Items. This bill provides appropriations for collective bargaining cost items for the members of Unit 2 and their excluded counterparts for fiscal biennium 2023-2025.

Although an agreement between the employer and the employees has not yet been reached, this bill serves as a vehicle should such an agreement occur.

Thank you for this opportunity to testify.

**Relating to Public Employment Cost Items.**

Provides appropriations for collective bargaining cost items for the members of bargaining unit (2) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2023-2025. Effective 6/30/3000. (HD1)

Linda Rosen, M.D., M.P.H.  
Chief Executive Officer  
Hawai'i Health Systems Corporation

Hawai'i Health Systems Corporation ("HHSC") **strongly supports** HB1001, HD1.

HHSC is bound by the public sector union collective bargaining pay increases that are negotiated by the State of Hawaii and arbitration awards. This is because HHSC only has one vote as a jurisdiction while the State of Hawai'i administration holds the majority of the votes. Given that salaries and benefits expenses comprise approximately 80% of HHSC's total operating expenses, collective bargaining pay raises represent a significant cost burden that HHSC's facilities simply cannot absorb. As an example, the impact of collective bargaining pay increases were over \$24 million for fiscal years 2018-2019, over \$30 million for fiscal years 2020-2021, and over \$15 million in fiscal years 2022-2023, all of which have been appropriated to HHSC via special fund appropriations. This means that HHSC is not provided any additional specific funding to pay for these raises. For fiscal year 2024-2025, the estimated cost of collective bargaining pay raises is estimated to be almost \$12.7 million in fiscal year 2024.

Accordingly, HHSC needs a **general fund appropriation** to pay for the proposed raises.

Thank you for the opportunity to testify on this important measure.
