**Re: H.B. 57 RELATING TO WORKERS' COMPENSATION**

**I. OVERVIEW OF PROPOSED LEGISLATION**

**The DLIR supports this proposal.** HB57 proposes to amend Section 46-13.1, Hawaii Revised Statutes (HRS) to provide for volunteer firefighters' average weekly wages to be computed pursuant to Section 386-181(c). The bill also proposes to directly amend Section 386-181(c)(3), HRS, to allow wages of other employees in comparable employment to be considered when computing the average weekly wages of an injured public board member, reserve police officer, police chaplain, reserve public safety law enforcement officer, sheriffs' chaplain, volunteer firefighter, volunteer boating enforcement officer, or volunteer conservation and resources enforcement officer.

**II. CURRENT LAW**

Section 386-181(c)(3) specifically states that wages of other employees in comparable employment shall not be considered.

**III. COMMENTS ON THE HOUSE BILL**

DLIR supports the proposal and believes that injured public board members, reserve police officers, police chaplains, reserve public safety law enforcement officers, sheriffs' chaplains, volunteer firefighters, volunteer boating enforcement officers, or volunteer conservation and resources enforcement officers be afforded all benefits to which they are entitled.
