H.B. 714, HD1
RELATING TO MOORING LINES

House Committee on Consumer Protection & Commerce

The Department of Transportation (DOT) provides the following **comments** on this measure that authorizes the department to regulate commodities and manifested cargo manned by existing local stevedoring companies.

DOT considers this proposed change as a regulation of labor and not a regulation of facilities. This level of regulation of labor falls outside the purview of DOT. As such, DOT recommends that the committee amend this measure to place the authorization in an appropriate chapter of the Hawaii Revised Statutes that controls labor, such as Chapter 382.

Thank you for the opportunity to provide these comments.

Par Hawaii

**TESTIMONY IN OPPOSITION TO HOUSE BILL 714 HD1
RELATING TO MOORING LINES**

House Committee on Consumer Protection & Commerce
The Honorable Mark M. Nakashima, Chair
The Honorable Jackson D. Sayama, Vice Chair

Tuesday, February 28, 2022, 2:00 pm
VIA VIDEOCONFERENCE
Conference Room 329
State Capitol
415 South Beretania Street

Chair Nakashima, Vice Chair Sayama and members of the Committee,

Thank you for the opportunity to provide testimony in opposition to HB714 HD1, Relating to Mooring Lines, with a recommendation for deferral.

Par Hawaii is critical infrastructure defined by the Cybersecurity & Infrastructure Security Agency (CISA) in providing energy security for our State. HB714 HD1, if enacted, will increase the risk of a supply disruption to the Neighbor-Islands and will lead to higher fuel and energy costs.

To transport fuel (e.g. gasoline, diesel, jet fuel) to the Neighbor-Islands, our company charters a tug and barge on a long-term basis through Sause Brothers. We load fuel products from our refinery at Barbers Point Harbor approximately every three days and transit to Kauai, Hawaii Island or Maui. We generally visit each island at least once every ten days. It's a demanding schedule that requires our barge to be on the move essentially all of the time and in coordination with all harbors. There is very little downtime.

For decades now, the tug and barge crews have secured these vessels at the dock. The crew are qualified, trained, and licensed to carry out these duties and, to our knowledge, there has never been a safety incident related to securing lines to the dock. It's also worth noting that the Sause Brothers tug crews are union members.

Because our barge does not have scheduled downtime, the schedule changes frequently (can be multiple times per week) as a result of inclement weather conditions or because of loading or discharge operations. If we were required to use a stevedoring company to tie

up the tug and barge, Neighbor-Island energy resupply would become subject to the schedule and availability of stevedoring personnel. This will lead to delays in resupply and would meaningfully increase the risk of fuel runouts on the Neighbor-Islands.

Furthermore, the additional cost to contract with stevedoring companies would be passed on to customers, particularly Neighbor-Island consumers.

Par Hawaii would not be the only party impacted by this legislation. Other energy companies, including Hawaiian Electric, Hawaii Gas, Aloha Petroleum and Island Energy Services all charter tugs and barges would be subject to these new requirements. Additionally, non-energy companies such as Hawaiian Cement and Aloha Marine Lines would also be impacted.

The effects of this legislation would be broad, impacting costs and potentially availability of a range of goods that are important to our economy and are transported across all islands.

For the foregoing concerns and unintended consequences, we urge the committee's deferral of HB714 HD1.

Thank you for allowing us to share our concerns.

Mahalo,

Eric Wright
President

**TESTIMONY IN OPPOSITION TO HOUSE BILL 714 HD1
RELATING TO MOORING LINES**

House Committee on Consumer Protection & Commerce
The Honorable Mark M. Nakashima, Chair
The Honorable Jackson D. Sayama, Vice Chair

Tuesday, February 28, 2022, 2:00 pm
VIA VIDEOCONFERENCE
Conference Room 329
State Capitol
415 South Beretania Street

Chair Nakashima, Vice Chair Sayama and members of the Committee,

Thank you for the opportunity to provide testimony in opposition to HB714 HD1, Relating to Mooring Lines.

Aloha Petroleum LLC (Aloha) is critical infrastructure defined by the Cybersecurity & Infrastructure Security Agency (CISA) in providing energy security for our State. HB714 HD1, if enacted, will dramatically increase the risk of supply disruptions to Hawaii's Neighbor Islands and lead to higher fuel prices for the motoring public.

Aloha has chartered an articulated tug and barge on a long-term basis from Centerline Logistics (Centerline) to transport fuel (e.g., gasoline and diesel) to the Neighbor Islands of Big Island, Maui, and Kauai. We load fuel from our terminal at Barbers Point Harbor and transit to each of these Neighbor Islands approximately once every ten days. The logistics schedule that we closely coordinate with Hawaii's Harbor officials is demanding and requires around-the-clock service operations. Furthermore, our specific harbor schedules must be able to adjust for conditions beyond our control including inclement weather and congestion at the piers.

Our terminal operators and Centerline's vessel crews are highly trained, qualified, and licensed to provide these professional logistics services, and, to our knowledge, we have not experienced a safety incident related to securing lines to the dock.

Requiring Aloha and our logistics provider, Centerline, to use a stevedoring company to tie up the tug and barge will impact the demanding and fluid logistics required to fuel our Neighbor Islands,

making such fuel entirely dependent upon the schedule and availability of stevedoring personnel. This impediment would lead to delays in resupply that would meaningfully increase the risk of fuel runouts on the Neighbor Islands. Furthermore, the additional costs of stevedoring companies, when added to the costs of delayed logistics operations, will lead to significantly higher fuel prices for Hawaii's Neighbor Island residents, companies, government agencies, and tourists.

Aloha would be one of many Hawaiian energy companies impacted by this legislation, as each of us charter tugs and barges that would be subject to these new requirements. Additionally, non-energy companies in Hawaii would also be impacted.

Finally, the negative effects of this legislation would be broad, as it would: (i) significantly increase the fuel cost and resulting pricing to consumers and (ii) potentially impact the reliable availability of a range of goods that are transported across all islands and are vital to Hawaii's consumers and its economy.

We urge the deferral of HB714 HD1. Thank you for allowing us to share our concerns.

Mahalo,

Bob Hood, Vice President
Aloha Petroleum LLC

RE: HB 714 HD1 RELATING TO MOORING LINES

POSITION: OPPOSE

Thank you for the opportunity to submit testimony in opposition to HB 714 HD1. My name is Adrian Hong and I am the president of Island Plastic Bags Inc. (IPB), a second-generation, family business in Halawa Valley that manufactures plastic trash liners and recycles plastic scraps. IPB opposes this bill as it would delay our raw material shipments and add additional costs that would have to be passed onto our customers (hospitals, nursing homes, restaurants, hotels, etc.).

Thank you for the opportunity to provide testimony in opposition to HB 714 HD1. Should you have any questions or comments about my testimony you can contact me by email at ahong@islandplasticbags.com or by phone at 808-484-4046.

Sincerely,

Adrian K. Hong, CPA

LOGISTICS OLYMPIC TUG & BARGE,
A CENTERLINE LOGISTICS COMPANY

February 28, 2023

TESTIMONY PROVIDING COMMENTS TO HOUSE BILL 714 HD1 RELATING TO MOORING LINES

House Committee on Consumer Protection & Commerce
The Honorable Mark M. Nakashima, Chair
The Honorable Jackson D. Sayama, Vice Chair

Tuesday, February 28, 2022, 2:00 pm
VIA VIDEOCONFERENCE
Conference Room 329 State Capitol 415 South Beretania Street

Chair Nakashima, Vice Chair Sayama and members of the Committee,

Thank you for the opportunity to provide comments and concerns on HB 714 HD1, Relating to Mooring Lines, with a recommendation for deferral.

Centerline Logistics (“Centerline”) is a leading United States marine transportation operator that enjoys an industry leading safety record because of the company’s comprehensive Safety Management System (“SMS”). Centerline operates over 120 tugs and barges throughout the United States including the West, East, and Gulf Coasts and Hawaii, Alaska, and Puerto Rico in close collaboration with the United States Coast Guard, its customers, and various maritime technical class societies.

Through our operating subsidiary, Olympic Tug & Barge, Inc. (“OTB”), we operate several tug and barge units that provide energy security to the State of Hawaii by resupplying petroleum products from the mainland and between various Hawaiian Islands.

Ensuring a prompt and reliable supply chain for timely distribution of liquid petroleum products throughout Hawaii requires skill and expertise that HB 714 HD1 will jeopardize. Additionally, HB 714 HD1, if enacted, will create operational delays, introduce additional safety challenges, and increase the risk of a supply disruption to the Neighbor-Islands and will lead to higher fuel and energy costs.

For years now, OTB crews have secured its own vessels upon arrival into the Hawaiian Islands and other major United States ports – including areas like Alaska and Puerto Rico with challenging operating environments. OTB crews are qualified, well-trained with decades of experience, and licensed to carry out these duties and, to our knowledge, there has never been a safety incident related to securing lines to the dock.

Our barge units do not have scheduled downtime and the schedule changes frequently (can be multiple times per week) because of inclement weather conditions or because of loading or discharge operations. If we were required to use a stevedoring company to tie up the tug and barge, Neighbor-Island energy resupply would become subject to the schedule and availability of stevedoring personnel. This will lead to delays in resupply and would meaningfully increase the risk of fuel runouts on the Neighbor-Islands.

CENTERLINE

LOGISTICS OLYMPIC TUG & BARGE,
A CENTERLINE LOGISTICS COMPANY

Furthermore, the additional cost to contract with stevedoring companies would be passed on to customers, particularly Neighbor-Island consumers.

The negative effects of this legislation would be broad, impacting costs and potentially availability of a range of goods that are important to the Hawaiian economy and are transported across all islands by Centerline and various other key members of Hawaii's maritime supply chain.

We urge deferral of HB 714 HD1. Thank you for allowing us to share our concerns.

Mahalo,

Matt Godden
President and CEO
Centerline Logistics Corporation and Olympic Tug & Barge, Inc.

**TESTIMONY IN OPPOSITION TO HOUSE BILL 714 HD1
RELATING TO MOORING LINES**

House Committee on Consumer
Protection & Commerce
The Honorable Mark Nakashima, Chair
The Honorable Jackson Sayama, Vice Chair
Tuesday, February 28, 2023, 2:00 pm
VIA VIDEOCONFERENCE
Conference Room 329
State Capitol
415 South Beretania Street

Chair Nakashima, Vice Chair Sayama and members of the Committee,

Island Energy Services, LLC (“IES”) offers the following testimony in OPPOSITION to HB714 HD1 requiring the securing of mooring lines for tug assisted vessels to be manned by an existing, operational stevedoring company operating within the State.

IES contracts Sause Bros. to transport its shipments of petroleum fuel from Honolulu to Neighbor Island customers. Approximately seven hundred tug assisted barge arrivals and departures occur annually to supply this critical commodity of fuel to power various energy dependent businesses and residence alike.

IES has not experienced any safety or other operational incidents that would warrant the need for additional marine operations proposed by this measure. The requirements proposed by HB714 HD1 will however add significant cost to the existing barge operations with no appreciable benefit to existing tug assisted operations. The increased cost incurred by IES, as well as all companies transporting commodities and manifested cargo via tug assisted barges utilizing State owned and controlled facilities will result in higher costs for local goods and services for Hawaii residents. Neighbor Island consumers in particular will likely bear a disproportionate amount of the increased cost due to the double handling of commodities like fuel originating from facilities located on Oahu.

Furthermore, the current fuel barging operations and port call schedules are complex and designed to be efficient and optimal to reduce unnecessary logistical costs. Adding the additional layer of services by a third-party proposed by HB714 HD1 will undoubtedly increase the likelihood of scheduling and other logistical delays not experienced by IES’ existing

operations. Other unintended consequences could result in increased operational risks, which could result in fuel shortages and runouts on the Neighbor Islands.

We thank the House Consumer Protection & Commerce Committee for this opportunity to share our concerns and **urge this measure be HELD.**

Inlandboatmen's Union of the Pacific

MARINE DIVISION -- INTERNATIONAL LONGSHORE & WAREHOUSE UNION
NATIONAL OFFICE • 5215 BALLARD AVE NW • SEATTLE, WA 98107 • (206) 284-6001 • FAX (206) 284 5043

February 27, 2023

RE: In Support of "HB 714 HD1"

We, at the Inlandboatmen's Union of the Pacific- Hawaii Region, strongly stand in support of the "HB 714 HD1". For too long, mainland corporations have preyed on Hawaii's resources and give nothing back in return. The local Hawaii businesses who support working blue collar families, Union labor and provide thousands of jobs to stimulate the local economy are competing with mainland companies who do not have to abide by the same set of rules. It's an unfair advantage that exploits workers and the taxpayers of the state. The vessel crews who arrive on visiting vessels are almost always out of state residents who pay no income tax which is earned in Hawaii and contribute nothing to the local economy. They only take. Meanwhile we have skilled Union longshore labor sitting on their hands, missing work opportunities to accommodate a foreign operation. This bill would keep Hawaii labor perpetually earning wages to provide for their families and contribute to the community at large while leveling the playing field and providing the safest mooring evolutions possible!

Respectfully,

Michael Anderson Jr.

Hawai'i State House of Representatives
Committee on Consumer Protection & Commerce

Testimony by
Hawai'i State AFL-CIO
February 28, 2023

H.B. 714 H.D. 1 – RELATING TO MOORING
LINES

The Hawai'i State AFL-CIO is a state federation of 74 affiliate local unions and councils with over 68,000 members across both public and private sectors. We appreciate the opportunity to testify in **support** of H.B. 714 H.D. 1.

Hawai'i stevedoring companies have the capacity to do the work that has been lost to out-of-state companies. This bill proposes favoring hiring Hawai'i workers to supply Hawai'i's maritime workforce needs. Like the concept of "buy local" to strengthen our economy, hiring Hawai'i residents to supply workforce needs similarly strengthens Hawai'i's economy because of increased tax revenue and consumer spending.

We appreciate your consideration of our testimony in **support** of H.B. 714 H.D. 1.

Respectfully,

Randy Perreira
President

**STATEMENT OF THE ILWU LOCAL 142 ON HB 714 –
RELATING TO MOORING LINES**

The ILWU Local 142 strongly supports HB 714, HD1, which requires that the securing of mooring lines from vessels requiring tug assistance to commercial docks, wharves, piers, quays, and landings be performed by an existing, operational stevedoring company in the State.

The ILWU Local 142 proudly represents over 18,000 workers across the state of Hawaii. Passage of H.B. 714, HD1 protects our local workforce from losing jobs to out of state operators.

Thank you for the opportunity to testify on this measure.

**TESTIMONY PROVIDING COMMENTS TO HOUSE BILL 714 HD1
RELATING TO MOORING LINE**

House Committee on Consumer Protection & Commerce
The Honorable Mark M. Nakashima, Chair
The Honorable Jackson D. Sayama, Vice Chair
Tuesday, February 28, 2022, 2:00 pm
VIA VIDEOCONFERENCE
Conference Room 329
State Capitol
415 South Beretania Street

Chair Nakashima, Vice Chair Sayama and members of the Committee,

Sause Bros. urges a deferral to allow for continued discussions in regard to how HB714 HD1 will negatively impact operations throughout Hawaii.

For the last 57 years, Sause Bros. has maintained a local office and operations in Hawaii. Our union mariners are licensed, highly trained and have the greatest level of experience in the industry which is evidenced by operating safely and efficiently in Hawaii for over five (5) decades. Requiring line handlers who are not familiar with our specialized equipment provides no value-added safety benefit to our operations.

Additionally, scheduling barges in Hawaii's congested harbors is a difficult task due to the countless arrivals and departures per month throughout the State. Attempting to schedule around line handler availability in conjunction with dynamic resupply schedules and weather events, particularly on neighbor islands, will be a challenging endeavor.

For the reasons stated above we urge deferral of HB714 HD1. Thank you for allowing us to share our concerns.

Blaine Gemeno
Vice President
Sause Bros., Inc.

Submitted By	Organization	Testifier Position	Testify
Hunter Mako Morton	Individual	Support	Written Testimony Only

Comments:

Mooring lines is a job that requires a certain level of competency that stevedoring companies provide. If the wrong individual were to moore the lines incorrectly, the ship will be vulnerable and not secured properly to the dock.
