Re: SCR202 SD1 – Requesting the Auditor to conduct a sunrise analysis on mandating parity in vitro fertilization health insurance coverage

Dear Chair Nakashima, Chair Nakamura, Vice Chair Sayama, Vice Chair Morikawa, and Members of the Committees:

Hawaii Medical Service Association (HMSA) appreciates the opportunity to provide comments on SCR202 SD1, which is requesting the State Auditor to conduct a sunrise analysis on mandating parity in vitro fertilization health insurance coverage for same-sex couples, unmarried women, and opposite-sex couples for whom male infertility is the relevant factor.

HMSA appreciates the legislature's intent to encourage access to reproductive services in Hawaii. At HMSA we provide in vitro fertilization benefits to our members, including qualifying women over 18 years of age regardless of their marital status.

Thank you for the opportunity to provide comments on SCR202 SD1.

Sincerely,

Dawn Kurisu
Assistant Vice President
Community and Government Relations

Comments:

Support this legislation. The assessment would enable lawmakers to make informed decisions about legislation necessary to mandate parity in vitro fertilization health insurance coverage for same-sex couples, unmarried women, and opposite-sex couples.
