Background and Summary

Summarize background highlight to provide the State Legislative an understanding of the request. The following are included:

1. Brief description of GFBBBG's background:

God Forgives Bad Boys and Bad Girls (GFBBBG), - established in 2018 – provides support in communities in reducing crime by forming Neighborhood Security Watch teams in the low-high crime communities in assisting together with HPD D-8 Community Policing Team. Prayer and referrals to men and women to the right help and resources in leaving incarceration, recovering in substance abuse, and involved in the criminal justice system.

2. The goals and objectives related to the request

MISSION: is to assist churches, organizations, HPD CPT in communities with outreaches to unify communities. The effort is to develop working relationships in faith based to adult criminals, juveniles thus to reduce crime in our communities.

God Forgives Bad Boys and Bad Girls teams goes into the areas with a history of high levels of crime, drugs use gangs and severe economic struggles.

VISION: "Built a strong relationship in the communities to build mutual trust".

The organization name may be very unusual to many because using the word "God Forgives", which the faith based of many people whom we have worked with since 2018, has either been incarcerated, recover drug users, and in criminal activity. Now turning their lives into ministry, churches, and supported from pastors they can be able to know that God Forgives them and to be able to walk into a better life in our community. Many are still in clean and sober homes recovering from drugs or criminal activity and has turned their cycle in outreach giving back to the community.

Some members on the Board walked into their shoes and experienced addiction, incarceration, homeless, with alcohol or prescription drugs. Members have strong bonds with working with youths and adults in the low-moderate communities in getting them the resources and help.

With the high increase of crime in the low-moderate areas, members can relate by doing several sign holdings of bullying and gun violence in engaging with the community and encourage for safer communities. Families who have lost a family member of gun violence are engaged in our organization by attending many of our community neighborhood watch, speak at schools and community churches to bring the attention and awareness.

3. The public purpose and need to be served

It is in a generational note that most adult criminals began their criminal careers as young juveniles.

Many crimes cause economic and social costs for those that are victimized and the communities they live in work and play in. By developing a relationship with authorities and HPD to form community Neighborhood Security watch program, it can result in assisting and engaging neighbors and community to work closer in the reduce of crimes within their community. Some of the direct crime can cause cost lost of wages; medical and mental health care treatment costs for victim; huge property damage; funeral and burial costs affiliated to decease victim.

Our State has spent millions of dollars on prevention of crime and has been prosecuting criminals. The HPD also has struggled in fighting crime and been coming up with programs to engage with communities. The HPD cannot do this alone, and it must be a shared responsibility in network in geographical areas with a history of high levels of crime, drug use, and severe economic challenges.

Due to our strong trust relationship with the communities, we serve, we have shown success. We have increased our relationship with HPD D-8 in West Oahu in supporting enforcing the laws by teaming up with our neighborhood security watch teams.

The volunteers come from the seniors' adults, youths, churches, and other organizations to be able to affect change in communities!

- We listen to what the community is sharing to listen then work with the community to address those needs; the relationship needs to remain to adapt to the community.
- Through social and economic factors such as family's income, education and employment with safer communities plays a huge significant role in our youth along the Westside.
- We are currently building relationship with other communities to partner in after-school programs with Kuhio Park Terrace youths, Youth Challenge men. It is known that other areas such as Waipahu, Kalihi, Ewa Beach already have these programs in place during-school programs. Wai'anae Coast are building up in our neighborhood security citizen patrols and networking with elected officials, HPD to make our State a safer place to live.

4. Describe the target population to be served, and

The areas that God Forgives target are:

- 1) Wai'anae Coast
- 2) Wahiawa
- 3) Old Ewa Beach
- 4) Kalihi

These above sites are targeted because their leaders and pastors are willing to step up to partner in recognizing the crime, drug activity and gang affiliation. We will serve the low moderate-income residents in the targeted communities in reaching out to the toughest populations including the homeless, seniors and youths. Many are our native Hawaiian people with many disadvantages of parents being incarcerated or not active in the household.

5. Describe the geographic coverage

The God Forgives organization has taken place in the areas of Ewa Beach, Maili communities, which is part of HPD District 9, City Council District 1 which is part of our Senate district 20 and Senate district 22. These communities are under HPD Community Policing Team (CPT), which we have developed a partnership in recruiting citizens to participate in community's citizen patrolling, feeding the homeless along the Wai'anae Coast and areas that are unseen to officials.

These areas are designated as high crime and unemployment rate where many are on the beach parks, beaches and nestled anywhere but not in our shelters. In these areas there are no public housing to offer but high affordable studios developed by the City and County of Honolulu which is still very high and costly to many families. For example, as the statistic will show that many of our families that reside homeless their children tend to become as well and will drop out of school.

Aloha Honorable Community Leader(s),

January 10, 2024

This letter of reference is for God Forgives Bad Boys and Bad Girls.

My name is James "Kimo" Masumoto and I have been serving the Waianae Coast community for over 21 years as the lead pastor of Power House Church.

I have witnessed God Forgives Bad Boys and Bad Girls make a positive impact in our 96792 community by working with our local leaders, legislators, the police department and pastors. They have touched the lives of many of our youth, kupunas and our houseless population in the following ways:

A. Coordinating large scale community awareness events:

Rise and Shine - a free youth event at Nanakuli Beach Park which featured the testimonies of many well known positive role models, local bands, free food and clothing, gifts for the youth and prayer for anyone desiring help from God.

Back to School Event at the Waianae Boat Harbor - a free community event featuring the same services as above.

B. Planning and implementing sign waving and Neighborhood Security Walks with our local community and police department (these walks have really made a huge difference in reducing crime and bringing community awareness in response to recent violence).

C. Numerous outreaches to the marginalized houseless population living on our coast offering a touch of love, prayers, warm meals, clothing and directing them to services available.

D. Working daily with many of our local pastors to bring encouragement and hope to their congregations through phone calls, hospital visits, and social media.

The above mentioned are just some of the things God Forgives Bad Boys and Bad Girls has done in our Waianae Coast community but they have also done the same in many other communities such as Ewa Beach, Waipahu, Kalihi, Wahiawa and even outer islands.

I strongly believe God Forgives Bad Boys and Bad Girls is a catalyst that has brought positive change and is a much needed entity for our communities for such a time as this.

I would like to first introduce myself. My name is Roland Pagan, and I am a Corporal with the Honolulu Police Department, District 8, community Policing Team. Within my duties, I have had the opportunity work with and meet L Kincaid "Mana" Olayan, President of God Forgives Bad Boys and Bad Girls.

I am writing this letter in strong support of the God Forgives Bad Boys and Bad Girls grant application submitted by Mr. Olayan. As a Police Officer with the Honolulu Police Department, I have had the privilege of witnessing the dedication, expertise, and passion that Mr. Olayan and God Forgives Bad Boys and Bad Girls brings to their initiatives.

The God Forgives Bad Boys and Bad Girls organization has become a large part of the HPD District 8 Community Policing Team in our efforts to build Neighborhood Security Watch groups within our district. They are to be commended for their undertaking that aligns seamlessly with HPD's Community Policing Team's mission and values.

God Forgives Bad Boys and Bad Girls has a proven track record of successful project implementation and outreach throughout the community. Their team possesses a unique combination of skills, experience, and a deep understanding of the community they serve as well as providing a view point and life experiences that HPD Officers do not have and have not lived. I have had the opportunity to collaborate with Mr. Olayan on organizing Neighborhood Watch Community Groups, as well as intervening in areas of the community where most citizens dare not to intervene. Their commitment to excellence and positive outcomes are very evident as well as their proven desire to bring peace and unity to the community.

Having worked with Mr. Olayan and God Forgives Bad Boys and Bad Girls for almost two years now, I can confidently say that this is an organization that is here to stay and deserves to be given the resources needed to make the desired impact in our communities. Given the proper resources, combined

with their desire to make right what was wrong and to be involved in areas, and with those that many choose to ignore would greatly benefit any organization that they decide to partner with.

I have confidence in God Forgives Bad Boys and Bad Girls ability to execute these projects successfully and to deliver meaningful results. Therefore, I strongly recommend that you consider approving the grant application for God Forgives Bad Boys and Bad Girls. The positive impact of their involvement will undoubtedly resonate within our community, aligning with your organizations mission and leaving a lasting legacy.

Should you require any additional information or clarification, please do not hesitate to contact me at rpagan@honolulu.gov or at (808)723-8437. Thank you for your time, consideration, and ongoing commitment to supporting initiatives that make a difference in our community.

Sincerely,

Reference Letter to God Forgives Bad Boys and Bad Girls:

I am writing this letter to wholeheartedly recommend God Forgives Bad Boys and Bad Girls for their outstanding volunteer service. Having had the pleasure of working closely with Mana Olayan, the President of God Forgives Bad Boys and Bad Girls, during various community initiatives, I am confident in the dedication, passion, and ability to make a positive impact through their non-profit's efforts.

Teen Challenge of Honolulu actively participated in God Forgives Bad Boys and Bad Girls Tuesday night Bible Studies, and drug prevention programs with youth at schools and various community events. Their commitment to promoting awareness and education on such crucial issues was evident in their interactions with the youth and the broader community.

In addition to their involvement in drug prevention programs, God Forgives Bad Boys and Bad Girls played a vital role in neighborhood security watches and walks. Their keen sense of

responsibility and unwavering commitment to fostering a safe environment for residents demonstrated their exceptional leadership qualities.

God Forgives Bad Boys and Bad Girls actively engaged in a multitude of community service works, including but not limited to Nanakuli on The Ave where off-duty police officers distributed thousands of gifts to the underserved community of Waianae through the program Blue Light Initiatives for Christmas for the past two years. Events like Cruise for Christ also helped to bring awareness to communities that have been suffering, and together with other organizations we all took a stand against violence in unity. Their versatility and willingness to contribute to a diverse range of activities showcase their adaptability and genuine concern for the well-being of the community.

Throughout our collaboration, God Forgives Bad Boys and Bad Girls passion to show up for their community are all assets to any organization. They are determined to make the State of Hawaii a safer place for generations following us.

To The Honorable Lieutenant Governor Sylvia Luke,

My Name is Paul "Sam" Kreutz , I am the International Vice President (Hawaii) of the ILWU. I would like to take this opportunity to lend support to the Non-Profit organization "God Forgives Bad Boys and Bad Girls".

Through God, this organization is making our community a safer place for "all". Among the special things this organization provides for the community is but not limited to; neighborhood security, homeless intervention, mentoring at risk youth, men and women transitioning out of prison, motivational speaking engagements and community outreach events.

I have witnessed first- hand as to the power of outreach and impact this organization has created. Everyone wants the problem to resolve on its own, however this organization provides and commits to real solutions by spending time and genuinely taking people by the hand and leading them to god. I am a man of faith, 1 Corinthians 14::33 "For God is not the Author of Confusion But of Peace. Hawaii is a special place, we need to be stewards of our community and support this organization as they are doing the work very few want to do. The impact that they make in people's lives is much needed. It is when people truly care, we can make a difference that creates positivity and inspiration.

Enclosing, please give strong consideration to "God Loves Bad Boys and Bad Girls" organization as they carry out the true meaning of service.

Respectfully,

Sam Kreutz
ILWU International Vice President Hawaii
