Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

This is to inform you that on June 21, 2024, the following bill was signed into law:

HB2715 HD1 SD1 CD1

RELATING TO SPECIAL NUMBER PLATES.
ACT 081

Sincerely,

Josh Green, M.D.
Governor, State of Hawai'i

HOUSE OF REPRESENTATIVES
THIRTY-SECOND LEGISLATURE, 2024
STATE OF HAWAII

H.B. NO. 2715
H.D. 1
S.D. 1
C.D. 1

A BILL FOR AN ACT

RELATING TO SPECIAL NUMBER PLATES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Keawalau o Puuloa,
2 also known as Puuloa or Pearl Harbor, was first settled around
3 400 A.D. and is a place of cultural significance that
4 exemplifies the power of positive, community-led change. The
5 Maweke family, one of the original families who settled in the
6 area, is credited with bringing sweet potato from Peru to Ewa
7 and dredging an entrance to allow large voyaging canoes to pass
8 over the shallow entrance to Puuloa. Puuloa's ancient
9 settlements near present-day Honouliuli, also known as West
10 Loch, represent the first and oldest settlements on the island
11 of Oahu. The area near Puuloa also served as a major political
12 capital in Ewa that governed the island of Oahu.

13 The legislature also finds that Puuloa was an abundant
14 water resource that contained at least thirty loko ia,
15 traditional Hawaiian fishponds, and loi kalo, patches of land
16 for taro cultivation. A convergence of estuaries, perennial
17 freshwater springs, shallow aquifers, and healthy nutrient

1 runoff provided loko ia and loi kalo with regenerative resources
2 needed to feed surrounding settlements. However, Puuloa's
3 aquatic resources have been exposed and contaminated with
4 mercury, polychlorinated biphenyls, dioxins, pesticides,
5 microplastics, lead, and other harmful chemicals and materials
6 from multiple polluted runoff sources. Many toxins present in
7 Puuloa persist in the environment for significant periods of
8 time and bioaccumulate in the tissues of fish, aquatic plants,
9 and wildlife that live in the local ecosystems.

10 The legislature further finds that Hui o Ho'ohonua is a
11 501(c)(3) nonprofit organization doing business under the trade
12 name Mālama Pu'uloa, with a mission to address the historical
13 trauma to the land, water, and people in the Ewa Moku on Oahu.
14 Created by the members of the Ewa community, this mission was
15 motivated by the environmental neglect and pollution in Pearl
16 Harbor.

17 Accordingly, the purpose of this Act is to authorize the
18 issuance of special number plates to recognize and honor Malama
19 Puuloa.

1 SECTION 2. Chapter 249, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§249- Special number plates for Malama Puuloa;
5 authorized. (a) Notwithstanding any law to the contrary, the
6 director of finance shall issue to any registered owner of a
7 motor vehicle, who is a resident of the State and has completed
8 the application and paid the required fees, a special number
9 plate for the registered owner's motor vehicle that commemorates
10 Malama Puuloa and observes the organization's contributions to
11 the restoration of Puuloa, also known as Pearl Harbor.

12 (b) The director of finance of the city and county of
13 Honolulu, in consultation with the directors of finance of the
14 counties of Kauai, Maui, and Hawaii; the chiefs of police of the
15 city and county of Honolulu and the counties of Kauai, Maui, and
16 Hawaii; and the chief executive officer of Hui o Ho'ohonua shall
17 establish a special number plate design that:

18 (1) Contains words, images, or both, that indicate the
19 special number plate is issued to recognize Malama
20 Puuloa;

- 1 (2) Is similar in shape and size to the uniform state
2 number plate prescribed by law;
- 3 (3) Does not exceed four and one-half inches in height by
4 four and one-half inches in width;
- 5 (4) Complies with all other requirements in section 249-
6 9(a); and
- 7 (5) Does not obstruct the visibility of the number or
8 letters or any other information that is required by
9 law to be on a number plate and is readily
10 identifiable and distinguishable under actual traffic
11 conditions;
- 12 provided that the director of finance of the city and county of
13 Honolulu may also establish additional special number plate
14 designs in conformance with this subsection and subsection (c)
15 that jointly or separately recognize Malama Puuloa.
- 16 (c) The special number plate design shall not:
- 17 (1) Infringe upon or otherwise violate any trademark,
18 trade name, service mark, copyright, or other
19 proprietary or property right;
- 20 (2) Represent any obscene or degrading image, idea, word,
21 or phrase;

1 (3) Advertise or endorse a product, brand, or service that
2 is provided for sale;

3 (4) Promote any religious belief; or

4 (5) Promote any philosophy based on prejudice or that is
5 contrary to state civil rights laws.

6 (d) Each special number plate shall be securely fastened
7 to the motor vehicle in lieu of the uniform state number plate.

8 (e) The director of finance shall charge a special number
9 plate fee at least equal to the county's cost of providing the
10 special number plate and administrative costs, if any, plus a
11 fundraising fee to be determined by the director of finance in
12 consultation with the chief executive officer of Hui o Ho'ohonua.
13 The fundraising fee shall be in addition to any other state or
14 county fees collected for a motor vehicle registration or
15 license plate.

16 (f) The director of finance may charge an additional
17 fundraising fee, of the same or a different amount as the
18 fundraising fee established pursuant to subsection (e), for the
19 renewal of a special number plate. If an additional fundraising
20 fee is implemented pursuant to this subsection, the director of
21 finance shall not renew and instead shall revoke the special

1 number plate of the registered owner of a motor vehicle who
2 fails to pay the additional fundraising fee imposed by this
3 subsection.

4 (g) The revenue generated by the fundraising fees, or a
5 portion of the revenue generated by the fundraising fees as
6 determined by the director of finance, shall be deposited in the
7 name of Malama Puuloa in a separate county budget account. The
8 director of finance shall determine the most efficient means of
9 directing the net revenue generated by the fundraising fees to
10 Malama Puuloa, as appropriate, to fund the restoration of
11 Puuloa, or Pearl Harbor.

12 (h) The director of finance may revoke all special number
13 plates issued pursuant to this section if the total number of
14 registered owners of motor vehicles who obtain the special
15 number plates is less than one hundred fifty within three years
16 of issuance of the first special number plate.

17 (i) Nothing in this section shall be construed to apply to
18 any plates issued pursuant to section 249-9.2.

19 (j) For the purposes of this section, unless a different
20 meaning appears from the context, "special number plate" means a
21 license plate that commemorates Malama Puuloa."

- 1 SECTION 3. New statutory material is underscored.
2 SECTION 4. This Act shall take effect upon its approval.
