C.D. 1

A BILL FOR AN ACT

RELATING TO FIREWORKS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Act 67, Session Laws of Hawaii 2023, created
2 the illegal fireworks task force to, among other things, plan,
3 coordinate, and engage in law enforcement operations to
4 interdict illegal fireworks. The legislature finds that
5 additional provisions are needed to enable county and state
6 agencies to address the illegal use of fireworks in Hawaii.

7 The purpose of this Act is to amend the State's Fireworks
8 Control Law to:

9 (1) Authorize officers having police powers and every
10 county fire department officer to enter and inspect
11 the premises of a licensee or permittee for compliance
12 with the Fireworks Control Law, and establish
13 penalties for hindering an officer;

14 (2) Establish procedures to authorize the department of
15 law enforcement to conduct administrative inspections
16 of controlled premises;

- 1 (3) Require licensees and permittees who hold, store,
2 transport, sell, possess, or otherwise dispose of
3 fireworks or articles pyrotechnic to keep records and
4 maintain inventories;
- 5 (4) Require licensees and permittees to report to the
6 director of law enforcement and appropriate county
7 fire chief if they have reason to believe that
8 fireworks or articles pyrotechnic were stolen,
9 embezzled, or otherwise obtained by fraud or
10 diversion;
- 11 (5) Authorize law enforcement agencies and county fire
12 departments to safely dispose of confiscated fireworks
13 and articles pyrotechnic;
- 14 (6) Require violators to be held liable for storage and
15 disposal costs;
- 16 (7) Specify that each type of prohibited firework
17 constitutes a separate violation; and
- 18 (8) Authorize the department of law enforcement, in
19 addition to the counties, to enforce the Fireworks
20 Control Law.

1 SECTION 2. Chapter 132D, Hawaii Revised Statutes, is
2 amended by adding six new sections to be appropriately
3 designated and to read as follows:

4 "§132D- Entry onto premises; inspection of premises,
5 books, and records; obstructing law enforcement or fire
6 department operations; penalty. (a) Any law enforcement or
7 fire officer may, at reasonable hours, enter and inspect the
8 premises of a licensee or permittee and any relevant books or
9 records therein to verify compliance with this chapter and the
10 conditions of the license or permit.

11 (b) Upon a request by any law enforcement or fire officer
12 to enter and inspect the premises of a licensee or permittee at
13 reasonable hours, the licensee, the permittee, or an employee of
14 the licensee or permittee shall make available for immediate
15 inspection and examination the premises and all relevant books
16 and records therein.

17 (c) Any licensee or permittee who refuses the law
18 enforcement or fire officer entry or access to the premises,
19 books, or records shall be in violation of the conditions of the
20 license or permit. After a hearing, the issuing department
21 shall suspend or revoke the license or permit for refusing entry

1 or access or for violations of any other requirement or
2 condition of the license or permit or any provision of this
3 chapter or rule adopted pursuant to this chapter. The issuing
4 department shall provide the licensee or permittee with a
5 written notice and order describing the basis for the suspension
6 or revocation. Any person aggrieved by the suspension or
7 revocation determination may request a contested case hearing
8 pursuant to chapter 91. To request a contested case hearing,
9 the person shall submit a written request to the issuing
10 department within thirty calendar days of the date of the notice
11 and order of the suspension or revocation. Appeal to the
12 circuit court under section 91-14, or any other applicable
13 statute, shall only be taken from the issuing department's final
14 order pursuant to a contested case.

15 (d) Any licensee, permittee, employee of a licensee or
16 permittee, or other person who:

17 (1) Threatens with the use of violence, force, or physical
18 interference or obstacle, or hinders, obstructs, or

10 demanding admittance onto the premises of a licensee or permittee
11 and declared the officer's name and office, is not admitted by
12 the licensee, permittee, or person in charge of the premises,
13 the officer may use force to enter the premises.

14 (f) For purposes of this section, "premises of a licensee
15 or permittee" does not include the licensee's or permittee's
16 private residence or a dwelling that is considered to be the
17 person's home, including a single family house, apartment unit,
18 condominium, townhouse, or cooperative unit.

19 §132D- Administrative inspections; controlled premises.

20 (a) The director or the director's designee may conduct
21 administrative inspections of controlled premises after

2 other persons subject to this chapter, or their agents; provided
3 that:

4 (1) Inspections of controlled premises shall be at
5 reasonable times, within reasonable limits, and
6 conducted in a reasonable manner to verify compliance
7 with this chapter and the conditions of the license or
8 permit;

9 (2) The director or the director's designee, without a
10 warrant, shall have access to, and may copy, any
11 records, books, logs, or documents relevant to the

15 (3) The director or the director's designee may inventory
16 the stock of any fireworks or articles pyrotechnic

19 seized as evidence by paying for the sample or
20 specimen. The director or the director's designee
21 shall make or cause to be made examinations of samples

1 or specimens secured under this paragraph to verify
2 compliance with this chapter or the conditions of the
3 license or permit; and

4 (4) The regulatory authority under this chapter shall
5 remain with the county fire departments. The director
6 or the director's designee conducting these
7 inspections shall aid the county fire departments in
8 enforcing the departments' regulatory authority.

1 (b) Each licensee and permittee shall create and keep for
2 five years a record of all fireworks or articles pyrotechnic
3 received, imported, held, distributed, sold, possessed, or

14 available upon request by the director, county fire chiefs, or
15 their designees.

16 **§132D- Mandatory reporting requirements.** (a)
17 Notwithstanding any other law requiring confidentiality, a
18 licensee or permittee who, in the licensee's or permittee's
19 professional or official capacity, has reason to believe that

19 the county in which the licensee or permittee resides or
20 conducts business, any person subject to subsection (a) shall
21 provide all information related to the alleged incident of

1 theft, embezzlement, fraud, or diversion, including records,
2 reports, and any image, film, video, or other electronic medium,
3 that was not included in the written report submitted pursuant
4 to subsection (b).

5 (d) This section shall not be construed to provide a basis
6 for a cause of action against the director, department of law
7 enforcement, county fire chief, or county fire departments.

8 (e) Any person subject to this section who knowingly
9 prevents another person from complying with the mandatory
10 reporting requirements of this section or who knowingly fails to
11 provide information as required by this section shall be guilty
12 of a misdemeanor.

13 §132D- Disposal of confiscated fireworks or articles
14 pyrotechnic. Any law enforcement agency or county fire
15 department that confiscates prohibited fireworks or articles
16 pyrotechnic pursuant to this chapter may safely destroy or
17 dispose of the confiscated fireworks or articles pyrotechnic;
18 provided that the law enforcement agency or county fire
