# A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF LAND AND NATURAL RESOURCES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that following the Maui  
2 wildfires in August 2023, the speaker of the state house of  
3 representatives established six bipartisan interim working  
4 groups tasked with evaluating specific topics and making  
5 recommendations for appropriate legislative action in the  
6 regular session of 2024. Members of the working groups  
7 collaborated with federal, state, and county agencies, along  
8 with community stakeholders and interested parties, to identify  
9 immediate issues that require temporary or transitional relief  
10 for the people and businesses of west Maui.

11           The legislature further finds that the wildfire prevention  
12 working group was specifically tasked with identifying the  
13 causes of wildfires and preventative action that may be taken to  
14 reduce the risk of wildfires throughout the State and preparing  
15 recommendations for appropriate legislative action. All working
