RELATING TO THE NURSE LICENSURE COMPACT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1	SECTION 1. The Hawaii Revised Statutes is amended by
2	adding a new chapter to be appropriately designated and to read
3	as follows:
4	"CHAPTER
5	NURSE LICENSURE COMPACT
6	§ -1 Name. This chapter may be cited as the Nurse
7	Licensure Compact.
8	§ -2 Terms and provisions of compact; authorization;
9	governor. The legislature hereby authorizes the governor to
10	enter into a compact on behalf of the State of Hawaii with any
11	other state legally joining therein, in the form substantially
12	as follows:
13	NURSE LICENSURE COMPACT
14	Article I. Findings and Declaration of Purpose
15	a. The party states find that:
16	1. The health and safety of the public are affected by
17	the degree of compliance with and the effectiveness of

1		enforcement activities related to state nurse
2		licensure laws;
3	2.	Violations of nurse licensure and other laws
4		regulating the practice of nursing may result in
5		injury or harm to the public;
6	3.	The expanded mobility of nurses and the use of
7		advanced communication technologies as part of our
8		nation's health care delivery system require greater
9		coordination and cooperation among states in the areas
10		of nurse licensure and regulation;
11	4.	New practice modalities and technology make compliance
12		with individual state nurse licensure laws difficult
13		and complex;
14	5.	The current system of duplicative licensure for nurses
15		practicing in multiple states is cumbersome and
16		redundant for both nurses and states; and
17	6.	Uniformity of nurse licensure requirements throughout
18		the states promotes public safety and public health
19		benefits.
20	b.	The general purposes of this Compact are to:

2024-2149 HB2415 SD1 SMA.docx

1	1.	Facilitate the states' responsibility to protect the
2		public's health and safety;
3	2.	Ensure and encourage the cooperation of party states
4		in the areas of nurse licensure and regulation;
5	3.	Facilitate the exchange of information between party
6		states in the areas of nurse regulation, investigation
7		and adverse actions;
8	4.	Promote compliance with the laws governing the
9		practice of nursing in each jurisdiction;
10	5.	Invest all party states with the authority to hold a
11		nurse accountable for meeting all state practice laws
12		in the state in which the patient is located at the
13		time care is rendered through the mutual recognition
14		of party state licenses;
15	6.	Decrease redundancies in the consideration and
16		issuance of nurse licenses; and
17	7.	Provide opportunities for interstate practice by
18		nurses who meet uniform licensure requirements.

The administrator of the coordinated licensure information 6 7 system shall promptly notify the home state of any such actions 8 by remote states.

e. A nurse practicing in a party state must comply with 9 10 the state practice laws of the state in which the client is 11 located at the time service is provided. 1 Article IV. Applications for Licensure in a Party State 2 a. Upon application for a multistate license, the 3 licensing board in the issuing party state shall ascertain, through the coordinated licensure information system, whether 4 5 the applicant has ever held, or is the holder of, a license 6 issued by any other state, whether there are any encumbrances on 7 any license or multistate licensure privilege held by the 8 applicant, whether any adverse action has been taken against any 9 license or multistate licensure privilege held by the applicant 10 and whether the applicant is currently participating in an 11 alternative program. 12 b. A nurse may hold a multistate license, issued by the 13 home state, in only one party state at a time. 14 c. If a nurse changes primary state of residence by moving 15 between two party states, the nurse must apply for licensure in 16 the new home state, and the multistate license issued by the 17 prior home state will be deactivated in accordance with 18 applicable rules adopted by the Commission. 19 1. 20

1	2. A multistate license shall not be issued by the new

5	requirements to obtain a multistate license from the
6	new home state.
7	d. If a nurse changes primary state of residence by moving
8	from a party state to a non-party state, the multistate license

1 ii. For purposes of taking adverse action, the home state licensing board shall give the same 2 3 priority and effect to reported conduct received 4 from a remote state as it would if such conduct 5 had occurred within the home state. In so doing, the home state shall apply its own state laws to 6 7 determine appropriate action. 2. Issue cease and desist orders or impose an encumbrance 8 9 on a nurse's authority to practice within that party 10 state. 11 3. The licensing board shall 14 also have the authority to take appropriate action(s) 15 and shall promptly report the conclusions of such 16 investigations to the administrator of the coordinated 17 licensure information system. 1 4. Issue subpoenas for both hearings and investigations 2 that require the attendance and testimony of 3 witnesses, as well as, the production of evidence. 4 Subpoenas issued by a licensing board in a party state for the attendance and testimony of witnesses or the 5 6 production of evidence from another party state shall 7 be enforced in the latter state by any court of 8 competent jurisdiction, according to the practice and 9 procedure of that court applicable to subpoenas issued 10 in proceedings pending before it. The issuing 11 authority shall pay any witness fees, travel expenses, 12 mileage and other fees required by the service statutes of the state in which the witnesses or 13 14 evidence are located. 15 5. Obtain and submit, for each nurse licensure applicant, 16 fingerprint or other biometric-based information to 17 the Federal Bureau of Investigation for criminal 18 background checks, receive the results of the Federal

Bureau of Investigation record search on criminalbackground checks and use the results in making

21 licensure decisions.

2024-2149 HB2415 SD1 SMA.docx

If otherwise permitted by state law, recover from the
 affected nurse the costs of investigations and
 disposition of cases resulting from any adverse action
 taken against that nurse.

5 7. Take adverse action based on the factual findings of
6 the remote state, provided that the licensing board
7 follows its own procedures for taking such adverse
8 action.

9 b. If adverse action is taken by the home state against a 10 nurse's multistate license, the nurse's multistate licensure 11 privilege to practice in all other party states shall be 12 deactivated until all encumbrances have been removed from the 13 multistate license. All home state disciplinary orders that 14 impose adverse action against a nurse's multistate license shall 15 include a statement that the nurse's multistate licensure 16 privilege is deactivated in all party states during the pendency 17 of the order.

c. Nothing in this Compact shall override a party state's
decision that participation in an alternative program may be
used in lieu of adverse action. The home state licensing board
shall deactivate the multistate licensure privilege under the

2024-2149 HB2415 SD1 SMA.docx

1 multistate license of any nurse for the duration of the nurse's 2 participation in an alternative program. 3 Article VI. Coordinated Licensure Information System and Exchange of Information 4 a. All party states shall participate in a coordinated 5 licensure information system of all licensed registered nurses 6 7 (RNs) and licensed practical/vocational nurses (LPNs/VNs). This system will include information on the licensure and 8 disciplinary history of each nurse, as submitted by party 9 states, to assist in the coordination of nurse licensure and 10 11 enforcement efforts. 12 b. The Commission, in consultation with the administrator 13 of the coordinated licensure information system, shall formulate 14 necessary and proper procedures for the identification, 15 collection and exchange of information under this Compact. 16 c. All licensing boards shall promptly report to the 17 coordinated licensure information system any adverse action, any 18 current significant investigative information, denials of 19 applications (with the reasons for such denials) and nurse 20 participation in alternative programs known to the licensing

13	i. The Compact administrator of a party state shall
14	provide all investigative documents and information requested by
15	another party state.
16	Article VII. Establishment of the Interstate Commission of

1 be grouped for the convenience of the Commission at 2 hearings required by this section. 3 h. If no one appears at the public hearing, the Commission 4 may proceed with promulgation of the proposed rule. 5 i. Following the scheduled hearing date, or by the close 6 of business on the scheduled hearing date if the hearing was not 7 held, the Commission shall consider all written and oral comments received. 8 9 j. The Commission shall, by majority vote of all 10 administrators, take final action on the proposed rule and shall 11 determine the effective date of the rule, if any, based on the 12 rulemaking record and the full text of the rule. 13 k. 11	posted on the website of the Commission. The revision shall be
12	subject to challenge by any person for a period of thirty days
13	(30) after posting. The revision may be challenged only on
14	grounds that the revision results in a material change to a
15	rule. A challenge shall be made in writing, and delivered to
16	the Commission, prior to the end of the notice period. If no
17	challenge is made, the revision will take effect without further
18	action. If the revision is challenged, the revision may not

1	1.	Each party state shall enforce this Compact and take
2		all actions necessary and appropriate to effectuate
3		this Compact's purposes and intent.
4	2.	The Commission shall be entitled to receive service of
5		process in any proceeding that may affect the powers,
6		responsibilities, or actions of the Commission, and
7		shall have standing to intervene in such a proceeding
8		for all purposes. Failure to provide service of
9		process in such proceeding to the Commission shall

11		this Compact or promulgated rules.
12	b.	Default, Technical Assistance and Termination.
13	1.	If the Commission determines that a party state has
14		defaulted in the performance of its obligations or

ii. Provide remedial training and specific technical 1 assistance regarding the default. 2 2. If a state in default fails to cure the default, the 3 defaulting state's membership in this Compact may be 4 terminated upon an affirmative vote of a majority of 5 the administrators, and all rights, privileges and 6 benefits conferred by this Compact may be terminated 7 on the effective date of termination. A cure of the 8 default does not relieve the offending state of 9 10 obligations or liabilities incurred during the period 11 of default. 12 3. Termination of membership in this Compact shall be 13 imposed only after all other means of securing 14 compliance have been exhausted. Notice of intent to

15 suspend or terminate shall be given by the Commission 16 to the governor of the defaulting state and to the 17 executive officer of the defaulting state's licensing 18 board and each of the party states.

19 4. A state whose membership in this Compact has been
20 terminated is responsible for all assessments,
21 obligations and liabilities incurred through the

effective date of termination, including obligations 1 2 that extend beyond the effective date of termination. The Commission shall not bear any costs related to a 3 5. 4 state that is found to be in default or whose membership in this Compact has been terminated unless 5 6 agreed upon in writing between the Commission and the defaulting state. 7 6. The defaulting state may appeal the action of the 8 9 Commission by petitioning the U.S. District Court for 10 the District of Columbia or the federal district in which the Commission has its principal offices. 11 The 12 prevailing party shall be awarded all costs of such 13 litigation, including reasonable attorneys' fees. 14 c. Dispute Resolution. 15 1. Upon request by a party state, the Commission shall 16 attempt to resolve disputes related to the Compact 17 that arise among party states and between party and 18 non-party states. 19 2. The Commission shall promulgate a rule providing for 20 both mediation and binding dispute resolution for 21 disputes, as appropriate.

H.B. NO. ²⁴¹⁵ H.D. 2 S.D. 1

1 3. In the event the Commission cannot resolve disputes 2 among party states arising under this Compact: 3 i. The party states may submit the issues in dispute to an arbitration panel, which will be composed 4 of individuals appointed by the Compact 5 administrator in each of the affected party 6 states and an individual mutually agreed upon by 7 8 the Compact administrators of all the party 9 states involved in the dispute. ii. The decision of a majority of the arbitrators 10 11 shall be final and binding. 12 d. Enforcement. 13 1. The Commission, in the reasonable exercise of its 14 discretion, shall enforce the provisions and rules of 15 this Compact. 16 2. By majority vote, the Commission may initiate legal 17 action in the U.S. District Court for the District of 18 Columbia or the federal district in which the 19 Commission has its principal offices against a party 20 state that is in default to enforce compliance with 21 the provisions of this Compact and its promulgated

1 rules and bylaws. The relief sought may include both 2 injunctive relief and damages. In the event judicial 3 enforcement is necessary, the prevailing party shall 4 be awarded all costs of such litigation, including reasonable attorneys' fees. 5 3. The remedies herein shall not be the exclusive 6 7 remedies of the Commission. The Commission may pursue 8 any other remedies available under federal or state 9 law. 10 Article X. All party states to this Compact that also were parties 15 to the prior Nurse Licensure Compact, superseded by this 16 Compact, ("Prior Compact"), shall be deemed to have withdrawn 17 from said Prior Compact within six (6) months after the

18 effective date of this Compact.

19 b. Each party state to this Compact shall continue to20 recognize a nurse's multistate licensure privilege to practice

in that party state issued under the Prior Compact until such 1 party state has withdrawn from the Prior Compact. 2 c. Any party state may withdraw from this Compact by 3 enacting a statute repealing the same. A party state's 4 5 withdrawal shall not take effect until six (6) months after 6 enactment of the repealing statute. d. A party state's withdrawal or termination shall not 7 affect the continuing requirement of the withdrawing or 8 terminated state's licensing board to report adverse actions and 9 10 significant investigations occurring prior to the effective date of such withdrawal or termination. 11 e. Nothing contained in this Compact shall be construed to 12 13 invalidate or prevent any nurse licensure agreement or other 14 cooperative arrangement between a party state and a non-party 15 state that is made in accordance with the other provisions of

16 this Compact.

17 f. This Compact may be amended by the party states. No
18 amendment to this Compact shall become effective and binding
19 upon the party states unless and until it is enacted into the
20 laws of all party states.

g. Representatives of non-party states to this Compact
 shall be invited to participate in the activities of the

 Compact by all states.

Article XI. Construction and Severability

6 This Compact shall be liberally construed so as to 7 effectuate the purposes thereof. The provisions of this Compact 8 shall be severable, and if any phrase, clause, sentence, or 9 provision of this Compact is declared to be contrary to the 10 constitution of any party state or of the United States, or if 11 the applicability thereof to any government, agency, person or 12 circumstance is held invalid, the validity of the remainder of 13 this Compact and the applicability thereof to any government, 14 agency, person or circumstance shall not be affected thereby. 15 If this Compact shall be held to be contrary to the constitution 16 of any party state, this Compact shall remain in full force and 17 effect as to the remaining party states and in full force and 18 effect as to the party state affected as to all severable 19 matters."
