# A BILL FOR AN ACT

RELATING TO THE DEPARTMENT OF HUMAN RESOURCES DEVELOPMENT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the department of  
2 human resources development is committed to making the State a  
3 desirable place to work and supporting the approximately  
4 fourteen thousand employees who work throughout the State.

5           The legislature also finds that the department of human  
6 resources development's information technology systems require  
7 additional investment and modernization. Specifically, by  
8 upgrading or replacing equipment, hiring key information  
9 technology personnel, upgrading the existing outdated network  
10 infrastructure, and providing necessary training, the department  
11 of human resources development will be able to hire new,  
12 essential state workers more quickly and provide the department  
13 with the assets it needs to function more efficiently overall.

14           Accordingly, the purpose of this Act is to appropriate  
15 moneys to:

- 1 (1) Establish full-time equivalent ( FTE)
- 2 information technology specialist positions within the
- 3 department of human resources development; and
- 4 (2) Upgrade information technology systems within the
- 5 department of human resources development, including
- 6 network upgrades; purchase and install desktop
- 7 computers, workstations, and laptop computers; and
- 8 train personnel.

9 SECTION 2. There is appropriated out of the general  
 10 revenues of the State of Hawaii the sum of \$ or so  
 11 much thereof as may be necessary for fiscal year 2023-2024 and  
 12 the same sum or so much thereof as may be necessary for fiscal  
 13 year 2024-2025 for the establishment of full-time  
 14 equivalent ( FTE) information technology specialist  
 15 positions within the department of human resources development.

16 The sums appropriated shall be expended by the office of  
 17 enterprise technology services for the purposes of this Act.

18 SECTION 3. There is appropriated out of the general  
 19 revenues of the State of Hawaii the sum of \$ or so  
 20 much thereof as may be necessary for fiscal year 2023-2024 to  
 21 upgrade information technology systems within the department of

1 human resources development, including network upgrades;  
2 purchase and install desktop computers, workstations, and laptop  
3 computers; and train personnel.

4 The sum appropriated shall be expended by the office of  
5 enterprise technology services for the purposes of this Act.

6 SECTION 4. This Act shall take effect on July 1, 2050.

**Report Title:**

DHRD; Office of Enterprise Technology Services; Information Technology; Positions; Upgrades; Appropriations

**Description:**

Appropriates moneys to establish an unspecified number of full-time equivalent information technology specialist positions within the Department of Human Resources Development and upgrade information technology systems within the Department of Human Resources Development, including network upgrades; purchase and install desktop computers, workstations, and laptops; and train personnel. Effective 7/1/2050. (SD1)
