
A BILL FOR AN ACT

RELATING TO FIREARMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that there are compelling
2 interests in protecting public health, safety, and welfare from
3 the serious hazards associated with firearms and gun violence.
4 Although the United States Supreme Court has held that the
5 Second Amendment provides for an individual right to keep and
6 bear arms for lawful purposes, the Second Amendment is not "a
7 regulatory straightjacket." *N.Y. State Rifle & Pistol Ass'n,*
8 *Inc. v. Bruen*, 142 S. Ct. 2111, 2133 (2022). States retain
9 authority to enact "a 'variety' of gun regulations," *id.* at 2162
10 (Kavanaugh, J., concurring), such as prohibiting the carrying of
11 firearms in sensitive locations and adopting laws and
12 regulations designed to ensure that those who carry firearms are
13 "law-abiding, responsible citizens," *id.* at 2133, 2138.

14 The purpose of this Act is to clarify, revise, and update
15 Hawaii's firearms laws to mitigate the serious hazards to public
16 health, safety, and welfare associated with firearms and gun
17 violence, while respecting and protecting the lawful exercise of
18 individual rights. To accomplish this purpose, the Act amends

H.B. NO. 984

1 and enacts requirements and processes for obtaining a license to
2 carry a firearm, updates criteria governing when firearm
3 ownership, possession, or control is prohibited, defines
4 locations within the State where carrying or possessing a
5 firearm is prohibited, prohibits leaving an unsecured firearm in
6 a vehicle unattended, and enacts, amends, and clarifies other
7 provisions relating to firearms.

8 In prohibiting carrying or possessing firearms in certain
9 locations and premises within the State, this Act is intended to
10 protect areas in which the carrying or possession of dangerous
11 weapons has traditionally been restricted, such as schools and
12 other places frequented by children, government buildings,
13 polling places, and other analogous locations.

14 This Act also respects the right of private individuals and
15 entities to choose for themselves whether to allow or restrict
16 the carrying of firearms on their property by providing that
17 firearms shall not be carried on private property open to the
18 public without the express authorization of the owner, lessee,
19 operator, or manager of the property. Recognizing the risks to
20 public health, safety, and welfare associated with firearms and
21 gun violence, and based on the legislature's assessment of
22 public sentiment and broadly shared preferences within the

H.B. NO. 984

1 State, this Act establishes a default rule with respect to
2 carrying firearms on private property open to the public that
3 provides for private entities to "opt-in" to authorize the
4 public carry of firearms on their property.

5 Beginning January 1, 2025, this Act requires every person
6 who carries a firearm in public pursuant to a license issued
7 under section 134-9, Hawaii Revised Statutes, to maintain
8 insurance coverage insuring against loss resulting from
9 liability imposed by law for bodily injury, death, and property
10 damage sustained by any person arising out of the ownership,
11 maintenance, operation, or use of a firearm carried in public,
12 and requires applicants for a new or renewed license to carry a
13 firearm under section 134-9, Hawaii Revised Statutes, to provide
14 proof of insurance coverage to the licensing authority.

15 This Act also adjusts certain regulatory fees relating to
16 firearms. These adjustments are warranted because prior fee
17 amounts were set by statute decades ago and have not been
18 adjusted to reflect inflation and increased costs associated
19 with background checks and investigations.

20 SECTION 2. Chapter 134, Hawaii Revised Statutes, is
21 amended by adding to part I seven new sections to be
22 appropriately designated and to read as follows:

1 (d) It shall be an affirmative defense to any prosecution
2 under this section that a person is in an exempt category

12 unconcealed, unless the person has been given express
13 authorization to carry or possess a firearm on the property by
14 the owner, lessee, operator, or manager of the property.

15 (b) For purposes of this section, "open to the public"
16 means places to which the public is invited or permitted and

6 and to read as follows:

7 "Concealed" means, in relation to a firearm, that the
8 firearm is entirely hidden from view of the public and not
9 discernible by ordinary observation, such that a reasonable
10 person without law enforcement training would be unable to
11 detect the presence of a firearm.

12 "Criminal offense relating to firearms" means any offense
13 defined in this chapter, and also includes the offense of
14 criminally negligent storage of a firearm under section 707-

10 section 707-733 [~~and~~], harassment under section 711-1106,

H.B. NO. 984

1 of rifles or shotguns for a period of one year from the date of

8 shall be impounded and shall be surrendered to the issuing
9 authority. The issuing authority shall perform an inquiry on an
10 applicant by using the International Justice and Public Safety
11 Network, including the United States Immigration and Customs
12 Enforcement query, the National Crime Information Center, and
13 the National Instant Criminal Background Check System, pursuant
14 to section 846-2.7 before any determination to issue a permit or
15 to deny an application is made. The issuing authority shall not
16 issue a permit to acquire the ownership of a firearm if an
17 applicant is disqualified under section 134-7 from the
18 ownership, possession, or control of a firearm, or if the
19 issuing authority determines that issuance would not be in the
20 interest of public health, safety, or welfare because the person
21 lacks the essential character or temperament necessary to be
22 entrusted with a firearm. In determining whether a person lacks

H.B. NO. 984

1 the essential character or temperament necessary to be entrusted
2 with a firearm, the issuing authority shall consider whether the
3 person poses a danger of causing a self-inflicted bodily injury
4 or unlawful injury to another person, as evidenced by:

6 the person has had suicidal or homicidal thoughts or
7 tendencies within the preceding five years;

8 (2) Statements or actions by the person indicating
9 dangerousness or violent animus towards one or more
10 individuals or groups, including but not limited to
11 groups based on race, color, national origin,
12 ancestry, sex, gender identity, gender expression,
13 sexual orientation, age, disability, religion, or
14 other characteristic, of a nature or to an extent that
15 would objectively indicate to a reasonable observer
16 that it would not be in the interest of the public
17 health, safety, or welfare for the person to own,
18 possess, or control a firearm or ammunition; or

19 (3) Other information that would lead a reasonable,
20 objective observer to conclude that the person
21 presents or would present a danger to the community as
22 a result of acquiring or possessing a firearm or

H.B. NO. 984

1 intends or is likely to use a firearm for an unlawful
2 purpose or in an unlawful manner.

3 (f) In all cases where a pistol or revolver is acquired
4 from another person within the State, the permit shall be signed
5 in ink by the person to whom title to the pistol or revolver is
6 transferred and shall be delivered to the person who is
7 transferring title to the firearm, who shall verify that the
8 person to whom the firearm is to be transferred is the person
9 named in the permit and enter on the permit in the space
10 provided the following information: name of the person to whom
11 the title to the firearm was transferred; names of the
12 manufacturer and importer; model; type of action; caliber or
13 gauge; and serial number, as applicable. The person who is
14 transferring title to the firearm shall sign the permit in ink
15 and cause the permit to be delivered or sent by registered mail
16 to the issuing authority within forty-eight hours after
17 transferring the firearm.

18 In all cases where receipt of a firearm is had by mail,
19 express, freight, or otherwise from sources without the State,
20 the person to whom the permit has been issued shall make the
21 prescribed entries on the permit, sign the permit in ink, and
22 cause the permit to be delivered or sent by registered mail to

H.B. No. 984

JUSTIFICATION SHEET

DEPARTMENT: ATTORNEY GENERAL

TITLE: A BILL FOR AN ACT RELATING TO FIREARMS.

PURPOSE: To clarify, revise, and update Hawaii's firearms laws to mitigate the serious hazards to public health, safety, and welfare associated with firearms and gun violence, while respecting and protecting the lawful exercise of individual rights.

MEANS: Amend part I of chapter 134, Hawaii Revised Statutes (HRS), by adding seven new sections and by amending and clarifying other provisions of chapter 134; amend section 707-716, HRS; amend and clarify section 846-2.7(b), HRS; amend Act 30, Session Laws of Hawaii 2022, to repeal the provision that would sunset section 2 of the Act on June 30, 2025.

JUSTIFICATION: Gun violence presents serious hazards to public health, safety, and welfare within the State. At the same time, the United States Supreme Court's decision in *New York State Rifle & Pistol Association, Inc. v. Bruen*, 142 S. Ct. 2111 (2022), has necessitated revisions to certain aspects of Hawaii's firearms laws. Even after the Supreme Court's decision in *Bruen*, however, the Second Amendment is not a regulatory straitjacket. *Bruen*, 142 S. Ct. at 2133. States retain authority to enact "a 'variety' of gun regulations," *id.* at 2162 (Kavanaugh, J., concurring), such as prohibiting the carrying or possession of firearms in certain locations and adopting laws and regulations designed to ensure that those who carry firearms are "law-abiding, responsible citizens," *id.* at 2133, 2138.

Updates to Hawaii's firearms laws, as described below, will revise and amend State law to address the serious hazards to public health, safety, and welfare associated with

H.B. No. 984

firearms and gun violence, while respecting and protecting the lawful exercise of individual rights.

The bill adds a new section to chapter 134, HRS, to prohibit carrying or possessing a firearm in certain locations and premises within the State. The bill is intended to protect areas in which the carrying or possession of dangerous weapons has traditionally been restricted, such as schools and other places frequented by children, government buildings, polling places, and other analogous locations. The bill also amends section 707-716, HRS, to provide that terroristic threatening in the first degree shall be a class B felony if committed with a firearm as defined in section 134-1, HRS, or a simulated firearm, while in one of these locations or premises.

The bill also adds new sections to chapter 134, HRS, to require a person carrying a firearm pursuant to a license to have in the person's immediate possession the license and documentary evidence that the firearm being carried is registered; to require a person carrying a firearm in public pursuant to a license to maintain insurance coverage; and to require that when a person carrying a firearm is stopped by a law enforcement officer or is a driver or passenger in a vehicle stopped by a law enforcement officer, the person immediately disclose to the law enforcement officer that the person is carrying a firearm and, upon request, identify the specific location of the firearm and present to the law enforcement officer a license or credentials to carry the firearm. These provisions are intended to protect the public and law enforcement officers from risks associated with gun violence and the public carry of firearms, promote responsible gun use and ownership, and ensure that those who carry and possess firearms do so in a responsible, law-abiding

manner that protects public health, safety, and welfare.

The bill also adds a new section to chapter 134, HRS, to prohibit carrying or possessing a firearm on private property open to the public without authorization. By prohibiting carrying or possessing a firearm on private property open to the public without express authorization, the bill is intended to respect the right of private individuals and entities to decide for themselves whether to allow or restrict the carrying or possession of a firearm on their private property. An owner, lessee, operator, or manager of private property open to the public may signify authorization to carry a firearm on their private property by providing unambiguous written or verbal authorization or by posting clear and conspicuous signage indicating that carrying or possessing a firearm is authorized.

The bill also adds a new section to chapter 134, HRS, to provide that nothing in that chapter shall be construed to affect the authority of any county to impose requirements relating to firearms that exceed the statewide provisions established in chapter 134, HRS, including the establishment of prohibitions on carrying or possessing a firearm in additional locations or premises within that county.

The bill also amends section 134-2, HRS, to update and revise requirements and processes for obtaining a permit to acquire a firearm, and amends Act 30, Session Laws of Hawaii 2022, to repeal the provision that would sunset section 2 of the Act on June 30, 2025.

The bill also amends section 134-7, HRS, to update criteria governing when firearm ownership, possession, or control is prohibited; amends section 134-13, HRS, to revise the revocation process for permits

and licenses; and amends section 134-17, HRS, to revise penalties for violating certain provisions and requirements under chapter 134, HRS.

The bill also amends section 134-9, HRS, to update certain provisions associated with the issuance of licenses to carry a pistol or revolver and ammunition. The bill, among other things, provides that county police departments shall issue a concealed carry license to an applicant who satisfies each of the requirements established in that section for a concealed carry license. The bill also adds a new provision to section 134-9, HRS, to prohibit a person carrying a firearm pursuant to a license issued under that section, or carrying a firearm in accordance with title 18 United States Code section 926B or 926C, from carrying more than one firearm at one time.

Additionally, the bill amends section 846-2.7(b), HRS, to clarify that the county police departments may conduct criminal history record checks on applicants for a license to carry a pistol or revolver and ammunition pursuant to section 134-9, HRS.

Impact on the public: The public would benefit from changes to State firearms laws that promote public health, safety, and welfare by protecting the public from hazards associated with firearms and gun violence. Members of the public who wish to apply for a permit to acquire or a license to carry a firearm and are qualified to obtain such a permit or license would benefit from updated laws that provide greater clarity regarding permits and licenses.

Impact on the department and other agencies: Should one or more aspects of this bill be subject to legal challenge, the Department of the Attorney General may be required to defend such challenges in litigation.
