## HOUSE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF LAND AND NATURAL RESOURCES TO COLLABORATE WITH FEDERAL, STATE, AND COUNTY GOVERNMENTS; LANDOWNERS; AND STAKEHOLDERS TO PROTECT, RESTORE, AND MANAGE THE WEST MAUI WETLANDS AND WETLANDS STATEWIDE.

1 WHEREAS, wetlands help improve water quality, increase  
2 groundwater flows, provide habitats for native species, act as  
3 natural firebreaks, and greatly benefit coastal water quality;  
4 and

5  
6 WHEREAS, the State's wetlands were historically a public  
7 trust and provided habitats for waterbirds, wetland birds,  
8 brackish water fish, invertebrates, and native wetland plants;  
9 and

10  
11 WHEREAS, Mokuhinia wetland on the Island of Maui was  
12 located on the Lahaina floodplain and was used as a fishpond and  
13 taro patch; and

14  
15 WHEREAS, the Clean Water Act no longer protects certain  
16 bodies of water, including wetlands, leaving these areas  
17 vulnerable to development and pollution; and

18  
19 WHEREAS, over time, the State's wetlands, including  
20 Mokuhinia wetland, have been covered over with commercial or  
21 residential developments; and

22  
23 WHEREAS, the ongoing recovery efforts in Lahaina and West  
24 Maui after the devastating wildfires provide an opportunity to  
25 rebuild and restore Mokuhinia and other historic wetlands; and

26  
27 WHEREAS, many wetlands across the State fall under the  
28 jurisdiction of both state and county land management agencies;  
29 and

# H.C.R. NO. 214

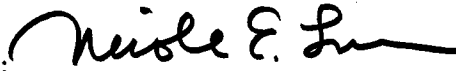

1 WHEREAS, a statewide effort to restore wetlands would help  
2 restore green spaces, protect against wildfires, and conserve  
3 wetland ecosystems; and

4  
5 WHEREAS, the cooperation of federal, state, and county  
6 governments; non-governmental organizations; and the community  
7 will be critical to the success of the State's wetland  
8 restoration efforts; now, therefore,

9  
10 BE IT RESOLVED by the House of Representatives of the  
11 Thirty-second Legislature of the State of Hawaii, Regular  
12 Session of 2024, the Senate concurring, that the Department of  
13 Land and Natural Resources is requested to collaborate with  
14 federal, state, and county governments; landowners; and  
15 stakeholders to protect, restore, and manage West Maui wetlands  
16 and wetlands statewide; and

17  
18 BE IT FURTHER RESOLVED that certified copies of this  
19 Concurrent Resolution be transmitted to the United States  
20 Environmental Protection Agency, each member of Hawaii's  
21 congressional delegation, the Governor, the Lieutenant Governor,  
22 the Chairperson of the Board of Land and Natural Resources, the  
23 Mayor of each county, and the Chair of each County Council.
