
HOUSE RESOLUTION

REQUESTING THE DEPARTMENT OF THE ATTORNEY GENERAL TO CONDUCT A
STUDY TO DETERMINE IF XYLAZINE TESTING STRIPS SHOULD BE
EXCLUDED FROM THE STATE'S DEFINITION OF DRUG PARAPHERNALIA.

1 WHEREAS, xylazine is a non-opiate sedative, analgesic, and
2 muscle relaxant that has been only approved by the United States
3 Food and Drug Administration for veterinary use; and
4

5 WHEREAS, xylazine has been increasingly identified as a
6 cutting agent or adulterant in the illicit drug supply, often
7 mixed with fentanyl, which increases the risk of a fatal drug
8 overdose; and
9

10 WHEREAS, as of November 2022, xylazine was found in the
11 illicit drug supply in forty-eight of fifty states and is
12 currently associated with one in ten fatal fentanyl overdoses;
13 and
14

15 WHEREAS, although symptoms of xylazine use and opioid use
16 are similar, overdose reversal agents such as naloxone do not
17 counteract the effects of xylazine; and
18

19 WHEREAS, there is currently no drug approved by the Food
20 and Drug Administration to reverse the effects of xylazine in
21 humans; and
22

23 WHEREAS, in 2023, multiple states considered legislation to
24 schedule xylazine as a controlled substance; and
25

26 WHEREAS, historically state drug paraphernalia laws have
27 prohibited the possession of drug-checking equipment, such as
28 fentanyl test strips, which can be used by a person who uses
29 drugs to test their supply for an adulterated substance; and
30

31 WHEREAS, in order to combat overdose deaths from drugs
32 adulterated by fentanyl, legislatures across the country have

H.R. NO. 174

1 altered their drug paraphernalia laws to either explicitly
2 legalize fentanyl test strips or generally legalize drug-
3 checking equipment; and

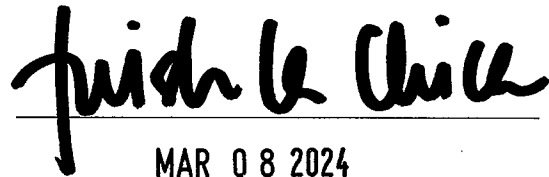

4
5 WHEREAS, similar steps should be taken to combat the rise
6 of drugs adulterated by xylazine; now, therefore,

7
8 BE IT RESOLVED by the House of Representatives of the
9 Thirty-second Legislature of the State of Hawaii, Regular
10 Session of 2024, that the Department of the Attorney General is
11 requested to conduct a study to determine if xylazine testing
12 strips should be excluded from the State's definition of drug
13 paraphernalia; and

14
15 BE IT FURTHER RESOLVED that the Department of the Attorney
16 General is requested to submit a report of its study, including
17 findings and recommendations, and any proposed legislation, to
18 the Legislature no later than twenty days prior to the convening
19 of the Regular Session of 2025; and

20
21 BE IT FURTHER RESOLVED that a certified copy of this
22 Resolution be transmitted to the Attorney General.
