## HOUSE RESOLUTION

URGING THE CITY AND COUNTY OF HONOLULU'S DEPARTMENT OF  
TRANSPORTATION SERVICES TO INSTALL CROSSWALKS IN KALAMA  
VALLEY.

1           WHEREAS, Hawaii Kai is a suburban community home to many  
2 local families; and

3  
4           WHEREAS, speeding is a recurring concern for Hawaii Kai's  
5 pedestrians; and

6  
7           WHEREAS, in a recent study by the City and County of  
8 Honolulu's Department of Transportation Services it was found  
9 that seventy-one per cent of drivers failed to yield for  
10 pedestrians at a busy intersection in Hawaii Kai; and

11  
12           WHEREAS, there are numerous highly trafficked areas in  
13 Kalama Valley which have never had crosswalks, making movement  
14 on foot a dangerous proposition; and

15  
16           WHEREAS, for example, streets surrounding Kalama Valley  
17 Community Park are often traversed by young athletes, though the  
18 lack of crosswalks makes crossing thoroughfares difficult and  
19 dangerous; and

20  
21           WHEREAS, the intersection of Hawaii Kai Drive and Kealahou  
22 Street is another location of concern in Kalama Valley, with  
23 frequent speeding and no crosswalks making this an unfriendly  
24 pedestrian environment; now, therefore,

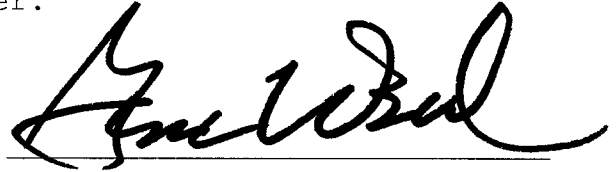

25  
26           BE IT RESOLVED by the House of Representatives of the  
27 Thirty-second Legislature of the State of Hawaii, Regular  
28 Session of 2024, that the City and County of Honolulu's  
29 Department of Transportation Services is urged to install  
30 crosswalks in Kalama Valley, prioritizing areas around the

1 Kalama Valley Community Park and at the intersection of Hawaii  
2 Kai Drive and Kealahou Street; and  
3

4 BE IT FURTHER RESOLVED that certified copies of this  
5 Resolution be transmitted to the City and County of Honolulu's  
6 Department of Transportation Services and the Honolulu City  
7 Council's District Four Councilmember.
