A BILL FOR AN ACT

RELATING TO INCARCERATED WOMEN.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that in August 2021,
2 Hawaii Friends of Restorative Justice was awarded \$250,000 from
3 the governor's emergency education relief fund. The moneys were
4 part of more than \$8,000,000 allocated to the State for purposes
5 of education through the federal Coronavirus Response and Relief
6 Supplemental Appropriations Act and Coronavirus Aid, Relief, and
7 Economic Security Act. The award funded the first year of an
8 education and reentry program for incarcerated women developed
9 and administered by Hawaii Friends of Restorative Justice, in
10 partnership with the women's community correctional center,
11 windward community college, the university of Hawaii at Manoa,
12 and McKinley community school for adults. The goal of the
13 program is to train incarcerated women to be general education
14 development tutors for their peers, provide college
15 correspondence courses for women in the women's community
16 correctional center, and provide reentry and transition services

1 for women who wish to continue their educations
2 post-incarceration.

3 The legislature further finds that in 2022, the legislature
4 attempted to fund the second year of the pilot program by making
5 a \$200,000 appropriation to McKinley community school for
6 adults. However, McKinley community school did not develop and
7 does not directly administer the program. As of November 1,
8 2022, the appropriated moneys had not been distributed. Hawaii
9 Friends of Restorative Justice has continued to administer the
10 program through a private donation while awaiting access to the
11 appropriated funding.

12 The legislature recognizes that the program has been
13 successful at assisting incarcerated women in achieving their
14 educational goals and has increased passage rates for the
15 general educational development test. In ten months, the
16 program assisted twenty women who were incarcerated at the
17 women's community correctional center in obtaining general
18 educational development certifications. Prior to the program,
19 approximately two women per year who were incarcerated in the
20 same facility passed the exam.

1 Accordingly, the purpose of this Act is to appropriate
 2 moneys for the education and reentry program for incarcerated
 3 women, developed and administered by Hawaii Friends of
 4 Restorative Justice.

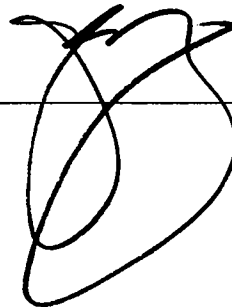

5 SECTION 2. There is appropriated out of the general
 6 revenues of the State of Hawaii the sum of \$225,000 or so much
 7 thereof as may be necessary for fiscal year 2023-2024 and the
 8 same sum or so much thereof as may be necessary for fiscal year
 9 2024-2025 for the education and reentry program for incarcerated
 10 women, developed and administered by Hawaii Friends of
 11 Restorative Justice.

12 The sums appropriated shall be expended by the university
 13 of Hawaii Windward community college for the purposes of this
 14 Act; provided that the university of Hawaii Windward community
 15 college may award grants to a private entity to achieve the
 16 purposes of this Act.

17 SECTION 3. This Act shall take effect on July 1, 2023.
