SENATE CONCURRENT RESOLUTION

URGING THE STATE FOUNDATION ON CULTURE AND THE ARTS TO CONVENE A TASK FORCE TO DEVELOP ART, BRANDING, AND NARRATIVES FOR AN APPROPRIATE SELECTION OF HAWAII'S UNIQUE COMMUNITIES, LANDMARKS, PARKS, AND OTHER SIMILAR AREAS.

WHEREAS, cities and communities define their brands and capitalize on monetizing their brands all around the country; and

WHEREAS, the National Park Service brands national parks with consistent theming and unique art that reflects each community and location, enabling them to establish a narrative, empower local artists, and sell merchandise to raise revenue for each location; and

WHEREAS, private companies are taking advantage of Hawaii and selling merchandise for profit, which does not always reflect the places, people, and culture that they are branding and merchandising; and

WHEREAS, the State should develop its own branding for key parks and areas to preserve the character, values, perception, and culture that best reflects these places, and can raise revenue to support them; now, therefore,

BE IT RESOLVED by the Senate of the Thirty-second Legislature of the State of Hawaii, Regular Session of 2024, the House of Representatives concurring, that the State Foundation on Culture and the Arts is urged to convene a task force to develop art, branding, and narratives for an appropriate selection of Hawaii's unique communities, landmarks, parks, and other similar areas; and
