# SENATE CONCURRENT RESOLUTION

REQUESTING THE HAWAII STATE PUBLIC LIBRARY SYSTEM TO ESTABLISH A  
HAWAII DEAF CULTURE DIGITAL LIBRARY FOR THE DEAF AND HARD  
OF HEARING COMMUNITY.

1           WHEREAS, public libraries statewide provide library users  
2 with free access to thousands of printed materials, digital  
3 resources, and physical and streamed media; and  
4

5           WHEREAS, the Hawaii State Library for the Blind and Print  
6 Disabled provides vital access to informational and recreational  
7 reading and assistive technology resources for library users;  
8 and  
9

10           WHEREAS, while existing services provide the State's deaf  
11 and hard of hearing community with resources to library  
12 materials, digital resources may provide library users who are  
13 deaf and hard of hearing with accessible materials through  
14 digital mediums offered at other public library locations; and  
15

16           WHEREAS, Virginia and Maryland have established deaf  
17 culture libraries for both public library users and the deaf and  
18 hard of hearing community to learn more about topics such as  
19 library services, deaf culture, American Sign Language, and  
20 other related programming; and  
21

22           WHEREAS, successful implementation of deaf culture  
23 libraries in other jurisdictions provide a valuable framework to  
24 support existing programs administered by the Hawaii State  
25 Public Library System; and  
26

27           WHEREAS, establishing a deaf culture digital library would  
28 promote accessibility, inspire the community through self-  
29 development, enable public library users to build valuable skill  
30 sets, and provide a service to a historically-underserved  
31 portion of the Hawaii State Public Library System; now,  
32 therefore,
