RE: H.B. No. 519
H.D. 1

Honorable Scott K. Saiki
Speaker, House of Representatives
Thirty-Second State Legislature
Regular Session of 2023
State of Hawaii

Sir:

Your Committee on Health & Homelessness, to which was referred H.B. No. 519 entitled:

"A BILL FOR AN ACT RELATING TO DENTISTS AND DENTAL HYGIENISTS,"

begs leave to report as follows:

The purpose of this measure is to expand access to dental care by:

- (1) Adding "community health center" to the list of eligible organizations at which those with a community service license may practice;
- (2) Allowing dental hygiene and dental college graduates who have graduated from educational programs recognized by the American Dental Association Commission on Dental Accreditation to apply for temporary or community service licenses; and
- (3) Expanding eligibility for a community service licensee to practice dentistry to those candidates who have passed the Integrated National Board Dental Examination within five years of the date of request.

2023-1674 HB519 HD1 HSCR HMSO

Your Committee received testimony in support of this measure from the Department of Health, Hawaii State Council on Developmental Disabilities, University of Hawai'i at Mānoa Nancy Atmospera-Walch School of Nursing, Hawai'i Oral Health Coalition, Ho'ōla Lāhui Hawai'i, Hawai'i Children's Action Network Speaks!, , NYU Langone Dental Medicine Pediatric Dentistry Program, Hawaii Dental Service, Hawaii Island Community Health Center, Hawaii Dental Hygienists' Association, AlohaCare, and seven individuals. Your Committee received comments on this measure from the Board of Dentistry, Hawaii Dental Association, and Grassroot Institute of Hawaii.

Your Committee finds that there is a workforce shortage of public oral health providers who serve the State's most underserved and vulnerable populations, including Medicaid recipients. With the reinstatement of dental benefits for adults insured through Medicaid in 2022, demand for providers will only increase. This measure is intended to address the State's workforce shortages in the public dental sector and increase access to dental care on the neighbor islands and in rural areas by broadening the pool of individuals who may be eligible for a community service license.

Your Committee has amended this measure by:

- (1) Changing the effective date to June 30, 3000, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Health & Homelessness that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 519, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 519, H.D. 1, and be referred to your Committee on Consumer Protection & Commerce.
