Aloha Friends and Neighbors,

First of all, I would like to thank everyone for giving me the opportunity to represent District 39 in the Hawaii State House of Representatives. I am humbled by your continued support and it is my honor to serve our community. I would like to offer you these highlights about the events this office has been participating within the community.

Makakilo Walk-and-Talk

On June 4th I held my first Community Walk and Talk in Makakilo. We discussed topics like the State budget and the artificial turf median near Mauka Lani El. and urging the City and County to do more artificial turf medians along Makakilo Drive.

118th Celebration of Philippine Independence

I had the honor of attending a beautiful 118th Philippine's Independence Celebration. Pictured left is myself, incoming Secretary of Foreign Affairs Perfecto Yasay Jr. and Rep. Henry Aquino.

Student Achievement

Congratulations to the students of Kapolei Middle School who received Po'okela Awards. Keep up the great work!

Best of luck to Kaleiopuu Elementary 6th grade graduating class of 2016.

Announcements

Lyon Associates, a local civil engineering firm, is organizing a hurricane resilience training program, HURRIPLAN at Waipahu High School June 21-22 in partnership with the State DLNR and Emergency Management.

HURRIPLAN is a FEMA certified course by the National Disaster Preparedness Training Center (NDPTC) at UHM Dept of Urban Planning. Its target audience is state/local officials, planning/design consultants, and community leaders. The course mission is to incorporate hurricane hazard mitigation into the normative project planning process, especially for designated community shelters.
