Legislators Talk Story at Nānākuli Public Library

Early March, Representative Eli held her first Legislators Talk Story at the Nānākuli Library. Community members came out to the event and had the chance to ask questions and share their thoughts, ideas and concerns, with members of the Legislature.

Before the start of the Q&A, students from the Nānākuli Performing Arts Center gave a performance on the stage outside of the Heleakala room. Following their performance, the students were awarded a certificate recognizing their efforts and accomplishments.

“This was my first Legislative Talk Story as a Representative and I just want to say a big mahalo to everyone that came to the event: my fellow Legislators, the NPAC students, and most importantly our community members. I want to hear the thoughts, ideas and concerns of our community and make a change. I also intend on hosting another Talk Story in the near future. So please look forward to that!”
 - Representative. Eli

Ma’ili Elementary Crosswalk

Sometime between the end of April and the beginning of May the City and County Department of Transportation Services will be surveying the area of Ma’ili Elementary, specifically the intersection of St. Johns and Kulaaupuni, to determine if a crosswalk installment is necessary. The surveying will take place during the peak hours of pedestrian traffic. There needs to be a record of more than 20 pedestrians (adults count as 1 and children count as 2) recorded in the area within a certain time frame for a crosswalk installment to be submitted for processing.

3/26/19 The crosswalk will be installed at the St. Johns and Kulaaupuni intersection on Kulaaupuni.
