

New Kapolei Clinic & Urgent Care

Representative Eli with West O'ahu House Members and Clinic Staff

On August 15th, Representative Eli attended the open house celebrating the new Straub Medical Center -Kapolei Clinic & Urgent Care. The new 16,000-square-foot clinic features expert clinicians from Straub Medical Center, Kapiolani Medical Center for Women & Children and Pali Momi Medical Center. It is a Hawaii Pacific Health Comprehensive clinic providing primary and urgent care as well as adult and pediatric specialty services for the growing West O'ahu community.

Commerce

Grand Opening of Mākeke in Nānākuli

Representative Stacelynn Eli has been working with Alicia Higa, Director of Health Promotion at Wai'anae Coast Comprehensive Health Center as well as our State Librarian to bring Mākeke Market to Nānākuli. The purpose of the market is to provide access and opportunity to community members to purchase fresh produce from our local Wai'anae Coast Farmers and also to give our farmers an opportunity to do business on the coast that they love and where they live. The planning and process took some time, but the grand opening finally took place on August 8th at the Nānākuli Public Library. Community members and farmers were excited! The market will be open every Thursday, from 3:30pm-7:00pm at the Nānākuli Public Library. Plans for health and cooking classes are being planned to be held at the Library on the days that the market is open to support healthy options for all of us!

Representative Eli with Nānākuli residents James and Gina Tabali, that were shopping at the market.

Understanding Alzheimer's & Dementia

Representative Eli with Tonya Hammond, O'ahu Program Specialist for the Alzheimer's Association

Representative Eli has been receiving requests for assistance with Alzheimer's and Dementia programs for caregivers by community members. The Alzheimer's Association provides training and assistance to caregivers and was asked to consider our district for training. On July 20th in Kapolei and On July 27th in Nānākuli at the Public Libraries in both communities. Training presentations took place to understand the challenges for both those that have the disease and for their families as well. The turnout was great and family members asked that more presentations be done in our community. Next month on September 9th, from 6:30pm-7:30pm at the Nānākuli Public Library another presentation on responding to dementia and related behavior.
