## HAWAII STATE REPRESENTATIVE

### STACELYNN ELI

Aloha Kākou!

I would first and foremost like to thank the voters of District 43 for electing me to serve as your State Representative. I am truly honored and understand the responsibility of this office to represent and advocate for you in the House of Representatives.

As many of you know, I was born and raised in West Oahu. I am a graduate of Nānākuli High and Intermediate School and have been studying economics at UH West O'ahu.

There are so many critical issues facing our community including traffic congestion and safety, quality education and facilities, affordable housing and homelessness, job creation, and health care.

I want you all to know that I understand I work for you. I want to hear from your concerns and what you want me to do at the State Capitol to improve your families lives.

Please feel free to contact me by phone at (808)586-8465, email at [repeli@capitol.hawaii.gov](mailto:repeli@capitol.hawaii.gov) or in my office in room 324.

Mahalo for your support!

Representative Eli had the opportunity to work with Students from Nānākuli Boys and Girls Club, Young Filmmakers program. They are participating in the Hawaii Children & Youth Advocacy Film competition. Their short film will share information on how a bill becomes law. Their video production will be completed at the end of January.

Mid December Representative Eli and community members went out to Wai'anae Valley Vista to learn about wildfire management in Hawai'i. The goal of this tour was to talk about exploring solutions to Hawai'i's wildfire problems.
