

2019 Youth Challenge Academy Graduation Ceremony for Class 18-2 (50)

Representative Eli had the privilege of witnessing the graduation of the 2019 Youth Challenge Academy Class of 18-2 (50). It was an emotional filled event held on Father's Day. The transformation that the graduates and their families go through is amazing. Located in Kalaeloa, Youth Challenge provides opportunities for 16-18 year old "At Risk Students" to learn life skills, be successful, responsible and productive citizens. The event made evident that the program is a success.

Clean-up HD 43

Illegally dumped trash along Farrington Highway that was removed by the Department of Transportation..

Representative Eli continues to work with Department of Transportation, Department of Land and Natural Resources as well with City and County of Honolulu departments to clean our district of illegally dumped trash. Our office has organized beach clean-ups with community members in both Nānākuli and Ma'ili. We are planning to do more community driven clean-ups this Summer and Fall. We will be sharing information about those clean-ups, dates, times and places in the coming weeks. Please contact our office if you would like to host a community clean-up. We also encourage all community members to report all illegal dumping that they witness.

Additional details and information can be found on the capitol website : <http://www.capitol.hawaii.gov/>

Emergency Preparedness Fair at Wai'anae Mall

Hurricane season is here and it is so important that we prepare our families and communities to be prepared incase of an emergency. On June 1st community members on the Wai'anae Coast Disaster Readiness Team hosted an Emergency Preparedness fair for our community at Wai'anae mall. The event entertainment, food, giveaways and most importantly information booths from over 30 organizations that were there to share information with our community about preparing for the worst. This month I will be walking door to door to share with you a checklist that can be used as a discussion piece with you and your ohana. The checklist will include a list of items that everyone should have in their emergency kit as well as information on the location of local shelters within our district.
