Aloha Friends:

I hope that you and your families are doing well. It is hard to believe that we are already two months into the new year.

Congratulations to Vivian De Almeida, Serena del Banco and Arianna Marie Claveria for winning their categories in the 31st Annual Leeward District Science and Engineering Fair. Arianna took the first place, Grand Award in the Individual Division. All three girls will be moving on to the state competition in March. Arianna also won an all-expenses paid trip to the International Science and Engineering Fair to be held in Phoenix, Arizona in May. Congratulations to all the Kapolei High School students who participated in this years event.

Thank you for the honor and privilege of serving as your state representative in the Hawaii State Legislature. Should you have any questions, comments, or concerns, please feel free to contact me at 586-8500, or via email at [rephar@capitol.hawaii.gov](mailto:rephar@capitol.hawaii.gov).
